

CRITERION III

RESEARCH, INNOVATIONS AND EXTENSION

3.3.2 - Number of workshops/seminars conducted on Research Methodology, Intellectual Property Rights (IPR), Entrepreneurship and Skill Development during the year

3.3.2.1 - Total number of workshops/seminars conducted on Research methodology, Intellectual Property Rights (IPR), entrepreneurship, skill development year wise during the year

PEOPLE'S UNIVERSITY, BHOPAL

REPORT OF EVENT

CONSTITUENT UNIT – School of Research & Technology

Type of Event/Activity – Workshop on Virtual Labs

Date(From - To): 22/06/2021

Title of Event: Workshop on Virtual Labs in collaboration with IIT Delhi

Venue: Online event

Name(s) of Chief Guest/ Other Guests / Resource Person/ Speaker(s):

1)Mr. Prateek Sharma, Senior Field Engineer, IIT Delhi

2) Mr. Shivam Sundaram, Field Engineer ,IIT Delhi

Name Coordinator(s): Prof. Shital Gupta

No. of Participants :219

Brief about the event (Minimum 50 words)

Department of Computer Science and Engg. Organized the workshop in collaboration with IIT Delhi on Virtual Labs. SORT is recognized as nodal center of virtual lab under the An Initiative of Ministry of Education Under the National Mission on Education through ICT. 219 participants attended this workshop including students and faculties. Mr. Prateek Sharma, Senior Field Engineer & Mr. Shivam Sundaram, Field Engineer from IIT Delhi, were the resource person who took the session. Students took keen interest in the workshop as it was online practical demonstration. The presence & support of Executive Director Mr. Ankit Dwivedi, Principal Dr. D. K. Rajoriya and Vice Principal Dr. Piyush Kumar Soni, made the event fruitful

Outcome/Impact of event/activity in brief :

1. Participants understood about remote-access to Labs in various disciplines of Science and Engineering. These Virtual Labs would cater to students at the undergraduate level, post graduate level as well as to research scholars.
2. Participants learned how to conduct experiments by arousing their curiosity. This would help them in learning basic and advanced concepts through remote experimentation.
3. Participants understood the Learning Management System around the Virtual Labs where the students can avail the various tools for learning, including additional web-resources, video-lectures, animated demonstrations and self evaluation.

REPORT OF EVENT

CONSTITUENT UNIT – School of Research & Technology, Bhopal

Type of Event/Activity – Online training programme

Date(From - To): 31/05/2021 to 04/06/2021

Title of Event: Space Technology and Its Applications

Venue: SORT, BHOPAL

Name(s) of Chief Guest :

Name of Coordinator(s): Ms. Shital Gupta HOD CSE department , SORT Bhopal

No. of Participants : 11

Brief about the event (Minimum 50 words)

Online Course on "Space Technology and Its Applications" was organized for Computer Science & Engineering Students .This Online Course organized from 31/05/2021 to 04/06/2021. This Online Course organized by Indian Institute of Remote Sensing ,Dehradun .Resource person of this Online Course were : Dr. Prakash Chauhan, Dr. Harish C Karnatak & Dr. Poonam S. Tiwari . Objective of this was aware and capacity building of participants on use of space technology and its application.

Outcome/Impact of event/activity in brief : By this Online Course participants get knowledge about Space Technology & Indian Space Programme, Remote Sensing Applications in Governance .The course train the participants about Utilization of space based information services for better planning and decision making in the areas of weather forecasting, tele-medicine, positioning applications, environmental and climate studies, agriculture, food and water security, disaster management.

REPORT OF EVENT

05.06.2021

Constituent Unit : School of Research and Technology (SORT)

Type of Event/Activity : International Webinar

Date : 05.06.2021, Saturday (01:00 pm – 03:00 pm)

Title of Event : International Webinar on “Bio-mix Fuel Derived from Waste Feedstock”

Venue : Microsoft Team App, Department of Mechanical Engineering, SORT

Name of Resource Person/Speaker: Dr. Vikas Sharma, Research Associate, Aston University, Birmingham, England, UK

Total No. of Participants = 80 participated online/offline (146 registered)
Total SORT Faculty Members Participated = 20 online/offline
Total SORT Students Participated = 50 online
Total Outside Participants = 10 online

Brief about the event:

- Objective: To collect several ideas and spread more information about the recent research being carried out on the bio-mix fuel derived from waste feedstock to the students, faculty, and professionals of various schools, colleges, universities and industries.
- Formal Beginning: The event coordinator initiated the event by introducing the eminent speaker to all the participants and sharing the importance of the title and idea of organizing it online that bases the global COVID-19 pandemic challenges, followed by welcome of Head of the Institution and IQAC Steering Committee and moderated precisely to ensure the program flow as per the scheduled itinerary. The Head of the Institution and IQAC Chairman welcomed the guest speaker and graced all the participants with their glorifying words of greetings.
- Content Delivery: The eminent key-speaker explained about the key research findings by screening the PowerPoint Presentation, stressed over the impact of high Hydro-Carbon rich fuels on the environment and highlighted on his research over bio-mix fuels including raw materials specifically processed plant seeds and dead animal fats and oils, process of producing bio-mix fuels, pollution aspects, demand management etc. and also cleared the queries of the participants to a great extent.
- Formal Feedback: The session brought to verbal Question and Answers segment, followed by online Multiple Choice Question Quiz in the form of a feedback. The vote of thanks got conveyed

BHANPUR, BHOPAL-462037

[Handwritten signatures]

PEOPLE'S UNIVERSITY, BHOPAL

by the Event Coordinator to the distinguished Speaker, Management, Dignitaries and all the participants.

Outcome/Impact of event/activity in brief:

The event got concluded with the following remarks:

- The content delivery got to a conclusion that the Bio-mix fuels possess high calorific value and therefore have a futuristic response to different applications. In contrary, it will take lot more time to meet the standards and huge demand.
- The participants got aware about the usefulness of bio-mix fuels over the hazardous higher hydro-carbon fuels that encouraged them to do their research projects on the same. The guest speaker also focused on initiating a collaboration for doing further research in the college premises and involving students of UG, PG, and Doctorate levels.
- The analysis of feedback received directly from the 51 participants at the end are as under:

Question	Q. 1 Please rate the session from 1 to 5	Q.2 Clarity of topic online, 1 to 5	Q.3 The term biomass most often refers to <u>Organic Matter.</u>	Q.4 Bio diesel is produced by the <u>Transesterification</u> of the vegetable oil.	Q.5 The bio diesel is the long chain of carbon atoms contains <u>Ester</u> group at one end.	Q.6 The transesterification is done in presence of methanol, NaOH and <u>KOH.</u>
Response Analysis	4.55	4.36	92.15 %	82.35 %	74.51 %	54.90 %

REPORT OF EVENT

CONSTITUENT UNIT – SCHOOL OF RESEARCH AND TECHNOLOGY

Type of Event/Activity - Workshop.

Date: 14 June 2021

Title of Event: Workshop on Lathe Machine

Venue: SORT (Online on Zoom Meeting)

Name(s) of Chief Guest/ Other Guests / Resource Person/ Speaker(s):

Name Coordinator(s): 1- Mr. Yogesh Parkhi, 2- Mr. GP Tale

No. of Participants (Faculty member and Student separately): Students participated- 21,
Faculty participated- 04

Brief about the event (Minimum 50 words):

The event organized by Department of Mechanical Engineering SORT where around 21 participants have took part in this workshop.

Workshop on lathe machine gives student deep knowledge about all the operations perform on lathe machine , also students understand about the mechanical properties of material. This workshop includes live demonstration of lathe machine with the students.

Outcome/Impact of event/activity in brief:

Student came to know more about and revise the technical Knowledge about lathe machine and its operation , most important thing about this event is , student see the live working of lathe machine also they see all the operations perform on lathe machine.

REPORT OF EVENT

CONSTITUENT UNIT – SCHOOL OF RESEARCH AND TECHNOLOGY

Type of Event/Activity – Webinar

Date: 20 May 2021

Title of Event: Development of Green Energy by Plantation

Venue: SORT (Online on Zoom Meeting)

Name(s) of Chief Guest/ Other Guests / Resource Person/ Speaker(s):

Name Coordinator(s): 1- Mr. Shashikant Sharma , 2- Mr. Yogesh Parkhi

No. of Participants (Faculty member and Student separately): Students participated- 22,
Faculty participated- 04

Brief about the event (Minimum 50 words):

The event organized by Department of Mechanical Engineering SORT where around 22 participants have took part in this event.

In this Webinar Faculties aware the students about green energy as a future fuel and its development by growing more plants.

Faculties also discuss the importance of Non Conventional source of energy like Solar, Wind, and Biomass by PPT and live demonstration from SORT Campus.

Outcome/Impact of event/activity in brief:

Student becomes more aware about Green Energy in terms of Solar, Wind, Biomass, and Biofuel Energy by understanding the basic concepts of Non Conventional source of energy

REPORT OF EVENT

05.06.2021

Constituent Unit : School of Research and Technology (SORT)
Type of Event/Activity : Workshop
Date : 04.06.2021, Friday (02:00 PM – 04:00 PM)
Title of Event : One Day Workshop on types of Cement"
Venue : Zoom Meeting App, Department of Civil Engineering, SORT
Name of Resource Person/Speaker: Mr. Hirendra Pratap Singh
Total No. of Participants = 103 Participated online/offline (103 Registered)

Brief about the event:

- Objective: To know about the various types of cement using in construction industries in India.
- Formal Beginning: In this workshop we first discussed about recent development in cement industries and various new types of cements are using in India. In this workshop we also discussed about cement production and special nomenclature used by cement industrialists in expressing the composition of their cement products.
- Content Delivery: In this workshop the speaker reveal different types of cement products, their compositions, properties, and typical uses. Wherever possible, we tend to give reasons as to why a particular cement type is more suitable for a given purpose than other types. Cement manufacturing processes are associated with emissions of large quantities of greenhouse gases and environmental pollutants.
- Formal Feedback: The session brought to a question and answers segment followed by a verbal feedback.

Outcome/Impact of event/activity in brief:

The event got concluded with the following remarks:

- Outcomes are the events: By this workshop students got the knowledge about various types of cement, its composition and its uses in various climatic conditions and site conditions.

REPORT OF EVENT

07.06.2021

Constituent Unit : School of Research and Technology (SORT)
Type of Event/Activity : Workshop
Date : 05.06.2021, Saturday (02:00 PM – 04:00 PM)
Title of Event : Workshop on “Building Design & Drawing”
Venue : Zoom Meeting App, Department of Civil Engineering, SORT
Name of Resource Person/Speaker: Mr. R. C. Patil
Total No. of Participants = 120 participated online/offline (120 registered)
Total SORT Students Participated
= B Tech (IV+VI+VIII) Sem = 49 No.
= Diploma (IV+VI) Sem = 71 No.

Brief about the event:

- Objective: House provides security, personal safety and protection from the weather, and prevents ill health and disease.
- Formal Beginning: In the Middle Ages, ordinary people's homes were usually made of wood. However in the late 16th and early 17th centuries, many were built or rebuilt in stone or brick. By the late 17th century even poor people usually lived in houses made of brick or stone. They were a big improvement over wooden houses.
- Content Delivery: The eminent key-speaker explained about the key aspects of home construction in the late 16th and early 17th centuries. He also stressed on the new constructions techniques of 21th century.
- Formal Feedback: Constructive feedback is supportive feedback given to individuals. It reveals to help identify solutions to areas of weakness they may have. Therefore, it comes with positive intentions and is used as a supportive communication tool to address specific issues or concerns.

Outcome/Impact of event/activity in brief:

The event got concluded with the following remarks:

PRINCIPAL
SCHOOL OF RESEARCH & TECHNOLOGY
PEOPLE'S UNIVERSITY
DHANPUR, BHOPAL-462037

-Outcomes are the events: Occurrences, or changes in conditions, behavior, or attitudes that indicate progress toward event goals. Outcomes are specific, measurable, and meaningful. These intended results of the event generally are expressed as goals within your event outcome.

REPORT OF EVENT

04.01.2021

Constituent Unit : School of Research and Technology (SORT)
Type of Event/Activity : Workshop
Date : 02.01.2021, Saturday (02:00 PM – 04:00 PM)
Title of Event : Workshop on "Building Design and Drawing"
Venue : Zoom Meeting App, Department of Civil Engineering, SORT
Name of Resource Person/Speaker: Mr. R. C. Patil
Total No. of Participants = 102 Participated online (102 Registered)

Brief about the event:

- Objective: This event was organized for B Tech and Diploma Civil Engineering students. This event gave detailed knowledge of Building Drawing and Drawing.

- Formal Beginning: In the Middle Ages, ordinary people's homes were usually made of wood. However in the late 16th and early 17th centuries, many were built or rebuilt in stone or brick. By the late 17th century even poor people usually lived in houses made of brick or stone. They were a big improvement over wooden houses.

- Content Delivery: The eminent key-speaker explained about the key aspects of home construction in the late 16th and early 17th centuries. He also stressed on the new constructions techniques of 21st century.

- Formal Feedback: Constructive feedback is supportive feedback given to individuals. It reveals to help identify solutions to areas of weakness they may have. Therefore, it comes with positive intentions and is used as a supportive communication tool to address specific issues or concerns.

Outcome/Impact of event/activity in brief:

The event got concluded with the following remarks:

- Outcomes are the events: By this event student learned about the knowledge of the Building Design and drawing and its utilization in the field of Civil Engineering.

REPORT OF EVENT

18.01.2021

Constituent Unit : School of Research and Technology (SORT)
Type of Event/Activity : Workshop
Date : 16.01.2021, Saturday (02:00 PM – 04:00 PM)
Title of Event : Workshop on "Quantity Surveying & Costing (QSC)"
Venue : Zoom Meeting App, Department of Civil Engineering, SORT

Name of Resource Person/Speaker: Mr. Satish Kumar Kushwah

Total No. of Participants = 105 participated online (105 registered)

Total SORT Faculty Members Participated = 03 online

Brief about the event:

- Objective: This event is organized for B. Tech VII, V, III and Diploma V Semester students. In this workshop we discussed about the calculation of quantity and costing of different elements of the buildings separately.
- Formal Beginning: The event coordinator initiated the event by welcoming the participating students and introducing the importance of Quantity Surveying and Costing in the field of Civil Engineering.
- Content Delivery: The key speaker explained about the how to prepare rate analysis of different material, how to find out cost of project, types of work and their related workers. In this workshop students also learned about actual use and implementation of Quantity Surveying and Costing in field to determine the cost of any element of building.
- Formal Feedback: The session brought to a question and answers segment followed by a verbal feedback.

Outcome/Impact of event/activity in brief:

The event got concluded with the following remarks:

This workshop is based on QSC. It enhanced student's knowledge related to project rate analysis and how to find the cost of any type civil engineering project.

Report on Alumni Expert Lecture at PIMR

An alumni expert lecture was organized by PIMR on August 22, 2020 on the title, "Career Opportunities in Banking & Finance". The expert speaker Mr. Swatantra Kumar Shukla, Senior Manager, Canara Bank, Bhopal, was welcomed and given brief introduction by Dr. Sameer Sharma, Director-PIMR. Mr. Swatantra Kumar Shukla was a very bright student of 2005-07 batch. He passed his MBA with Marketing and IB specializations.

The guest lecture was mainly organized for the students of MBA Sem. IV, BBA and B.Com. Sem. VI. Nearly 60 students and 6 faculty members participated in the event.

The lecture was about Career Guidance. He gave an introduction about himself and how he entered into the field of banking. Then, he explained career in government banks and compared them with private banks. After that, he gave some information about choosing different careers depending upon their passion and asked them to strive towards it. The lecture was highly informative and useful to the students. He also expressed his gratitude towards the institution and wishes to stay connected in future as well.

The vote of thanks was proposed by Dr. Abhilasha Jain, HOD- PG Programmes. The event was successfully coordinated by Dr. Sheetal Mani, Ms. Marrium Khan, Ms. Nileshwari Yadav and Ms. Ritu Mathur, faculty members of PIMR.

Report on IIAHM Career Guidance Seminar at PIMR

Peoples's Institute of Management & Research and IIAHM organized an online "Career Guidance Seminar" on July 12th, 2021 between 11:00am to 12: noon for MBA & BBA students through Google meet. A total of 30 participants attended the Seminar, in addition to faculty members of the institute. The Seminar was aimed to provide career guidance, furnish thorough understanding and detailed clarity on career options available in Aviation & Hotel Management Filed.

Dr. Sameer Sharma, Director PIMR welcome and introduced the guest (speaker) of the day Mrs. Shalini Fouzdar, Director IIAHM. Mrs. Shalini Fouzdar is a great personality with a creative mind and positive approach. She has got a wonderful exposure of working in both domestic and International Airlines of more than 15 years. She enlightens the students for the Career Path of Aviation & Hotel Industry in near future. Mrs. Shalini spoke about the scope and emphasized primarily on the placement opportunities in this growing sector. The entire session was an interactive session and the speaker answered many queries raised by the participants.

Participants seemed really fascinated and showed their enthusiasm during the session. The programme was concluded with the few words of appreciation and encouragement by Dr. Abhilasha Jain, Professor & HOD-PG Programmes. Hopefully even more candidates will find their career prospects in the Aviation and Hotel management sector.

Report on Industry- Academia Meeting

Topic: People's University Safeducate SOP

Date(s): June 27th 2020

People's University and Safeducate hosted an Academia- Industry Meeting on 27/06/2020. Mr. Krishan Singh and Mr. Ashish Shrivastava spoke about the Curriculum pedagogy, personality development, training & placement. Dr. Sameer Sharma, Director-PIMR welcomed the Guest and speakers, All the faculty members of the institute attended the meeting & the entire session was an interactive session and the speakers answered many queries raised by the participants.

The meeting was aimed to discuss thorough re-orienting the teaching pedagogy & program of study in order to enrich and ensure clarity on career options available in various branches of Logistics and Supply Chain Management. The discussion was held about the amendments in the current curriculum also, some new subjects like Global operation & forwarding, linear shipping Business, Warehouse management were suggested which would help students to understand the LSCM in a better way. The focus should be more on the grooming and overall development of the students, so that they become competent professionals. More future workshops which are related to E-commerce, Recent trends in Chain Analytic, Advance Excel etc are expected.

Hopefully even more candidates will find their career prospects in the LSCM sector.

Special Talk on Nudge Theory

An interesting session on "Nudge : Improving Decisions About Health, Wealth & Happiness" was held at the CSRD conference Hall of People's University at 2.30 pm on January 28, 2020. The talk was based on a book with the same name by Richard Thaler & Cass Sunstein. Richard Thaler, the father of Nudge Theory was awarded the Nobel Prize in Economics in 2017.

Nudge Theory offers insights into how humans think and act and can be used to drive favourable behaviour without resorting to drastic interventions such as penal action.

Dr. Asma Rizwan is a Professor of Business Communication at PIMR. She has been conducting training sessions for various groups including teachers, doctors, government officers and police officers. She has been teaching Nudge Theory to officers of Customs, Excise and GST for the last one year.

Dr. Asma explained the concepts of Humans Vs. Econs, Nudge, Choice Architecture and default settings. Through interesting examples from around the world including video clips, the theory was explained in detail. It has potential applications in public policy, healthcare, traffic, personal finance etc.

The 1½ hour session was attended by a few HOIs and about 25 faculty members from various constituent units. Pro-Vice Chancellor, Dr. Harish Rao, Dean-PCMS, Dr. Sadavarte, Dean-PCPS Dr. Suresh, Dean-PCDS, DR. Bhambal, Principal-PCNS, Dr. Rekha Gupta were among those present. The audience was welcomed by Dr. Sameer Sharma, Director-PIMR and the programme was coordinated by Dr. Abhilasha Jain, Asso-Professor, PIMR. All present enjoyed the session and appreciated Dr. Asma for the excellent delivery.

People's University Organizes National Seminar on Motivation and Employment in Turbulent Times.

Even during the Lockdown, People's University is keeping pace with academic enrichment. On one hand online classes are going on in full swing, on the other hand various national and international conferences are being held.

Peoples Institute of Management & Research, People's University organized a one day online Seminar on "Motivation and Employment in Turbulent times". The Students and teachers from various states participated in large numbers.

Employment concerns in post COVID 19 Scenario was comprehensively addressed by the speakers. Speakers also motivated the audience to stay positive and focus on sectors like E commerce, Digital Marketing, Logistics and Supply Chain, Banking, Online Retail and Technology, which will witness an upsurge for jobs. Mr. Jawed Qamar, Retired AGM B.H.E.L delved on topic Motivation and Employment in Turbulent Times, Dr. S. Chandrashekhar focused on Finance and Banking whereas Mr SachanandTaurani of IDBI bank briefed audience on new age sectors for employment. Following the sessions, there were interactive sessions with the audience where the audience interacted with the speakers and related doubts were addressed by experts.

Trustee and Director of Peoples Group, MeghaVijaywargia said "Insights by experts on sectors of employment will be helpful to prepare the students for challenges ahead". She added "We have collaborated with corporate to make management education according to the need of industry."

Organisers Dr. Sameer Sharma and Prof. Akhilesh Mittal were of opinion that learning about new and more effective ways to accomplish things during the seminar will be helpful for students.

Dr. Abhilasha Jain, Ms. Marriyum Khan and Nileshwari Yadav co-ordinated the Seminar.

People's University Organizes National Seminar on Motivation and Employment in Turbulent Times.

Even during the Lockdown, People's University is keeping pace with academic enrichment. On one hand online classes are going on in full swing, on the other hand various national and international conferences are being held.

Peoples Institute of Management & Research, People's University organized a one day online Seminar on "Motivation and Employment in Turbulent times". The Students and teachers from various states participated in large numbers.

Employment concerns in post COVID 19 Scenario was comprehensively addressed by the speakers. Speakers also motivated the audience to stay positive and focus on sectors like E commerce, Digital Marketing, Logistics and Supply Chain, Banking, Online Retail and Technology, which will witness an upsurge for jobs. Mr. Jawed Qamar, Retired AGM B.H.E.L delved on topic Motivation and Employment in Turbulent Times, Dr. S. Chandrashekhar focused on Finance and Banking whereas Mr SachanandTaurani of IDBI bank briefed audience on new age sectors for employment. Following the sessions, there were interactive sessions with the audience where the audience interacted with the speakers and related doubts were addressed by experts.

Trustee and Director of Peoples Group, MeghaVijaywargia said "Insights by experts on sectors of employment will be helpful to prepare the students for challenges ahead". She added "We have collaborated with corporate to make management education according to the need of industry."

Organisers Dr. Sameer Sharma and Prof. Akhilesh Mittal were of opinion that learning about new and more effective ways to accomplish things during the seminar will be helpful for students.

Dr. Abhilasha Jain, Ms. Marriyum Khan and Nileshwari Yadav co-ordinated the Seminar.

Report on Workshops conducted

Title: Workshop on "The Scope, Opportunities & Growth in LSCM".

Date(s): Workshop 1: June 5th - 6th 2020 &
Workshop 2: June 22nd - 23rd 2020.

Two interactive online workshops of 2 days each on "The Scope, Opportunities & Growth in LSCM" were conducted on 4th - 5th June 2020 and 22nd - 23rd June by Peoples Institute of Management & Research Bhopal, in collaboration with *Safeducate*, for the students of MBA & BBA (Logistics & Supply Chain Management) and other interested and prospective students. A total of 35 participants attended the workshop, in addition to faculty members of the institute. The workshops were aimed to furnish thorough understanding and detailed clarity on career options available in various branches of Logistics and Supply Chain Management.

On the inaugural day Mr. Tabish Rehman and Mr. Sanish Mathews introduced the students with the concept of Logistics and Supply Chain Management. Mr. Krishan Singh and Ms Preeti Sinha spoke about the scope and emphasized primarily on the placement opportunities in this growing sector. The entire session was an interactive session and the speakers answered many queries raised by the participants. All participants were given e-certificates for participation.

Ms. Nileshwari Yadav & Ms. Marrium Khan efficiently co-ordinated the conduction of the workshops. Dr. Sameer Sharma, Director-PIMR welcomed the students and speakers and Dr. Abhilasha Jain proposed the vote of thanks.

Participants seemed really fascinated and showed their enthusiasm during the sessions. Peoples Institute of Management & Research is looking forward to organize future workshops on various traits of LSCM in order to create awareness among the students. Hopefully even more candidates will find their career prospects in the LSCM sector.

Report Submitted by: Dr. Sheetal Mani
Designation: Assistant Professor, PIMR.

Supply Chain Management

Now, can you explain the term Supply Chain Management? Yes, it is the process of managing the Supply Chain or flow of goods. It includes the process of Planning, Organising, and Controlling the movement and storage of raw materials, work-in-process inventory, and finished goods from point of origin to point of consumption.

Report on Webinar on Career Counselling

A webinar on "Finding yourself in you" was organized amidst lockdown by People's Institute of Management & Research, People's University, Bhopal on July 3, 2020. The speaker of the webinar was Dr. Pooja Mehta, Founder of "Abeer life skill welfare society", Consultant Psychologist, Life Coach & Motivational Speaker.

Several Students and University staff actively participated in this motivating and interactive session and exchanged their thoughts with each other. The presenter who herself is source of motivation to students gave encouraging examples from her own life and inspired students to be a self-motivator. She discussed the importance of positive thinking and attitude which brings optimism into life and such constructive changes can make one brighter and more successful. The ultimate goal of the motivational seminar was to change people profoundly on an emotional and/or mental level. The speaker related her own personal experience to the audience, which means she can come from any kind of background and use that information to inspire others. Students were highly delighted as the session was full of fun, energy and learning. This webinar helped students to be guided by a positive mind and driven by Self-Motivation. Students and faculty members from various units of People's University attended this session. The session was also attended and appreciated by Dr. Neerja Mallick, Registrar, People's University, Dr. Neeraj Upmanyu, Principal-Pharmacy and Dr. Suresh, Principal-Paramedical College.

Dr. Sameer Sharma, Director, People's Institute of Management and Research welcomed the speaker and all other participants.

Dr. Abhilasha Jain, Ms. Nileshwari Yadav, Ms. Marrium Khan and Dr. Sheetal Mani coordinated the successful conduction of the program.

Dr. Sameer Sharma and Dr. Neerja Mallick agreed that they will be organizing such sessions in future as well as it will help rejuvenating one self. Ms. Ritu Mathur humbly proposed the vote of thanks.

MAFS Workshop at PIMR

A unique and interesting workshop on "Micro Analysis of Financial Statements" was conducted at PIMR, People's University on 26/2/2020. The workshop was conducted by Dr. S. Chandrasekar, a well known B-School and corporate trainer who possesses many world records like holding the maximum no. of workshops, training over 350000 students etc.

Dr. Chandrasekar started by introducing the basic accounting terms in a very interesting manner. He gave the participants a questionnaire which was later used to explain accounting terms in such a way that it can be understood by a layman. Giving a 5 step process, he taught the students how to analyze any balance sheet in 30 seconds. His delivery was full of learnings of management and banking terms as also lesser used English words.

Students enjoyed each minute of the over 150 minutes workshop and felt happy about acquiring the new knowledge. An MOU was signed between PIMR and EmpoVer HR Solutions Pvt. Ltd. (whose MD is Dr. Chandrasekar) for closer industry interaction, inputs in curriculum development, skills trainings and specialized workshops. Over 50 students and 6 faculty members attended the workshop.

Earlier, Dr. Chandrasekar was welcomed by Dr. Sameer Sharma, Director, PIMR and introduced by MBA-LSCM students Prachi Mandal. The vote of thanks was proposed by Dr. Abhilasha Jain, Professor, PIMR. The programme was very well coordinated by Ms. Marrium Khan & Ms. Nileshwari Yadav, Asst. Prof., PIMR.

REPORT OF EVENT

CONSTITUENT UNIT – PEOPLE'S COLLEGE OF PARAMEDICAL SCIENCES & RESEARCH CENTRE

Type of Event/Activity -Webinar

Date: 02/07/2020 (6:00 PM TO 7.30 PM)

Title of Event: "Secrets for being a successful Physiotherapist"

Venue: People's College of Paramedical Science and Research Center (Online Mode)

Name(s) of Chief Guest/ Other Guests / Resource Person/ Speaker(s): Dr Harsh Rajdeep

Name Coordinator(s): Asst. Prof. Mrs. Mansi Tiwari

Collaborator/Sponsor (if any)

No. of Participants (Student): 68

Brief about the event (Minimum 50 words)

A Webinar is conducted on "secrets for being a successful Physiotherapist" on 02.07.2020. Total 68 students were enrolled for the webinar. Program is coordinated by Dr Mansi Tiwari. Dr Harsh Rajdeep, MBS Hospital Kota was the resource person for the program.

Outcome/Impact of event/activity in brief: *The students came to know about entrepreneurship they learned to improve their skills & tips to be successful in the field.*

नुकसान को कम करने की योजना है आपदा प्रबंधन

पीपुल्स विश्वविद्यालय में आपदा प्रबंधन पर हुई कार्यशाला

रिपोर्टर • iamBhopal
Mobile no. 9827080406

पीपुल्स विश्वविद्यालय भोपाल के कर्मचारियों के लिए आपदा प्रबंधन पर कार्यशाला का आयोजन किया गया। पीपुल्स कॉलेज ऑफ पैरामेडिकल साइंस एंड रिसर्च सेंटर के प्राचार्य डॉ. पीआर सुरेश द्वारा विभिन्न प्रकार के आपदाओं के बारे में जानकारी दी। डॉ. नीरज जयमन्वु ने बताया आपदा प्रबंधन एक आकस्मिक घटना है, जो किसी समाज या समुदाय के कामकाज को गंभीर रूप से प्रभावित करती है एवं मानव सामग्री एवं और पर्यावरणीय नुकसान का कारण होती है। आपदा प्रबंधन आपदाओं के कारण होने वाले खतरों को कम करने के लिए, एक सुनियोजित रणनीति है। आपदा प्रबंधन हालांकि खतरों को टालने या खत्म नहीं करता है, यह आपदाओं के प्रभाव को कम करने के लिए योजना तैयार करने पर केंद्रित होता है। विश्वविद्यालय की अग्निशमन विभाग द्वारा मॉक ड्रिल का आयोजन किया गया फायर विभाग के कर्मचारियों द्वारा फायर सूट पहनकर आग में चलने और पीड़ितों को बचाने, निकास एवं आग को नियंत्रण करने के तरीकों का प्रदर्शन किया गया।

कर्मचारियों के कोविड में किए कार्यों की सराहना कार्यक्रम के अंत में पीपुल्स विश्वविद्यालय की डायरेक्टर एन ट्रेस्टी मेघा विजयवर्गी ने सभी कर्मचारियों को कोविड - 19 के दौरान उनके द्वारा किए गए कार्यों एवं फायर विभाग के कर्मचारियों के द्वारा अत्यधिक बारिश के कारण निर्मित परिस्थितियों में अच्छे कार्यों की सराहना की। भारत में राष्ट्रीय आपदा प्रबंधन प्राधिकरण की स्थापना देशभर में प्राकृतिक या मानव निर्मित आपदाओं की प्रतिक्रियाओं के समन्वय के लिए की गई है।

Report of the Event

Webinar

“Innovative Data Analytics Tools for Pharma Researchers” on 17th Oct. 2020 at 11:00 AM (IST).

School of Pharmacy and Research, People’s University along with Elsevier organised webinar on 17th of October 2020 from 11:00 AM. Theme of the webinar was “Innovative Data Analytics tool for Pharma Researchers”. Event witnessed 270 plus participants from all corners of India as well some international participations from United Arab Emirates and United States of America.

The webinar provided the information of various data analytics tools developed by Elsevier for Pharma researchers wherein the researchers and faculties had taken advantage of such tools to improve their efficiency and productivity in pharma research.

Programme started with Inauguration speech of Dr Rajesh Kapoor, Vice- Chancellor, People’s university, he highlighted the need of such tools for more refined and efficient research in pharma and medical fields. Dr Neerja Mallick, Registrar People’s University and Prof. Akhilesh Mittal, Dean Academic Affairs also graced the occasion and welcomed all the guest and participants.

Dr Mandar Bodas, Solution Consultant, Research Solutions- Life Science, Elsevier was a speaker at webinar. Dr Bodas describe all the analytical tools provided by Elsevier for Pharma Researchers. He gave live demo of tools like Pharmapendium, Embase and Reaxys for refined data search. Also, he answered all the questions from participants to the level of their satisfaction.

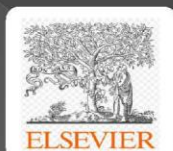

In the end of programme Dr Neeraj Upmanyu, Principal, School of Pharmacy and Research, People’s University, Felicitated the speaker with certificate of Recognition and also proposed the vote of thanks for all the participants, speaker and Peoples University for there unwavering support for such kind of events.

Whole Programme is very well co-ordinated and hosted by Dr Rupal Dubey, Associate Professor, School of Pharmacy and Research, People’s University. She initially briefed about the purpose of conference and share the key achievements of respected speaker. In last she sum-up the webinar by sharing feedback link to participants.

Altogether Event was a great success!

Reaxys/Reaxys Medicinal Chemistry: Buyers and Users in the Full Chemistry Domain

Relevancy of the solution to their strategic objectives:

Buyers:

Chemistry Drives productivity with quality data to reduce the time it takes to identify lead compounds	R&D IT/Informatics Supports making data connections between compounds, targets, and bioactivity, allowing rapid early-stage drug candidate selection	Investigational Toxicology/ Pharmacology Provides sufficient evidence to support lead candidate prioritization decisions	Knowledge Management Center* Provides high quality, searchable chemistry content solutions
--	--	--	--

Research/Domain Users:

Synthetic Chemistry Provides the ability to generate multiple, alternative synthesis pathways	Medicinal Chemistry Provides new, innovative solutions for driving the drug design cycle	Process Chemistry Provides the ability to design more efficient and effective experiments to test suitability for large-scale use	Computational Chemistry Provides the ability to use in-house tools, while integrating the use of APIs	Bioinformatics Provides the ability to perform analyses on complex data sets from the broadest collection of chemistry information
---	--	---	---	--

*Note: the role of the Knowledge Management Center will become less prominent as the buying conversations evolve to higher value solution offerings

Workshop on “Application of ICT enabled Tools for Smart Teaching”

REPORT

Workshop on Application of ICT enabled Tools for Smart Teaching was conducted in School of Pharmacy & Research, People's University, Bhopal on 3th October 2020. It is supported by Virtual Labs IIT Delhi and organized by School of Research & Technology Recognized as Nodal Centre for Virtual Lab .The speaker for the lecture was prof.Shital Gupta, HOD (CSE) SORT, PU and Convener and Nodal Centre Coordinator. All Faculty Members attended the Workshop Sincerely and Dr. Neeraj Upmanyu has also shared his view and present vote of Thanks to Coordinator.
