REPORT OF EVENTS

CONSTITUENT UNIT: - PEOPLE'S COLLEGE OF NURSING & RESEARCH CENTRE, BHOPAL

About Nutrition Month

In India, the National Nutrition Month is observed every year from September 1 to September 30 to raise public awareness about nutrition and healthy eating habits. The week is observed to make people understand the importance of nutritional and adaptive eating habits so that they can maintain a healthy lifestyle.

Food and nutrition are mandatory for overall physical and mental health and ever since the pandemic has wreaked havoc, awareness about healthy food and nutrition has started to spread in every nook and corner. If you need an active life with growth and development, then a balanced diet is a must.

About Poster making Competition:-

The activity was designed to motivate the younger generation who are the potential Eco/ Nutrition Warriors. They were encouraged to speak about nutrition system degradation and present real time solutions to some of the challenges faced by the globe

A Poster competition can generate publicity and provide information about nutrition & also evaluate student knowledge. This event is designed to bring attention and public awareness to the importance of making informed food choices and developing sound eating and physical activity habits in a society & community
