FEEDBACK SUMMARY 2017-18

Feedback evaluated:

Students Feedback: - Questionnaire 1,3,4,5

Student feedback on Faculty: - Questionnaire 2

Patients Feedback

Parents Feedback

Alumni Feedback

Faculty Feedback on Curriculum

Feedback Summary - Questionnaire no. 1

Session 2017-18

Feedback on the basis of Questionnaire no. 1 was randomly taken.

Parameters Evaluated – Students feedback on Curriculum.

Feedback was obtained from the students at the end of Academic session.

Most of the students believe that depth of course content and extent of its coverage was satisfactory and only 20% students feel it to be unsatisfactory. More than 60% Students opted good as a response to applicability and relevance of course to real life situation.

50 % Students concluded that the course was concentually manageable.58% Students agreed that library material for the course was adequate. Overall rating by students was found to be satisfactory to good.

Feedback Summary - Questionnaire no. 3

Session- 2017-18

Feedback on the basis of Questionnaire no. 3 was randomly taken.

Parameters Evaluated - Feedback of Students overall evaluation on programme and teaching

Feedback was collected from students after the final results were declared.

Most of the students agreed that the curriculum was adequate and easy to understand.

It was also inferred that 85 to 100% of syllabus was covered in class and the library study material was found to be adequate. Maximum number of Students Agreed that teachers thoroughly prepared for the classes and were effectively able to communicate.

For encouraging students participation in class, in class discussions were conducted.45% of students stated that to some extent there were opportunities to interact with the teachers and small group works were promoted.
