Preamble

PCDS & RC, Bhopal is an Institute that provides young minds to grow in the field of Dental Sciences. It provides high quality education and motivates students towards academic research.

Bansai Hospital is a comprehensive multi-specialty Hospital which provides specialized services to make the life of terminally ill patients comfortable as per the guidelines of WHO. Bansai Hospital has therapeutic and advance diagnostic facilities at par with national level hospitals. To synergize R&D and academic efforts in the field of biomedical education and research, PCDS & RC Bhopal and Bansai Hospital Bhopal are interested in establishing interaction in collaborative research and academic activities.

1. PCDS & RC Bhopal and Bansal Hospital will identify research opportunities to conduct cooperative research and experimental programmes for the mutual benefits.
2. PCDS & RC Bhopal and Bansal Hospital will encourage respective physicians, faculty members and scientists to explore and prepare joint research proposals on some thrust areas for funding by government agencies.
3. Joint research projects will be submitted to funding agencies after obtaining explicit clearance from both the institutions. The technical activities and grant sharing between two parties shall be defined and mutually agreed while submitting such proposals. Existing/stipulated guidelines of the funding agencies with regard to research publications and patents will be followed. Else such matters will be mutually decided.
4. All patent applications will be made through PCDS & RC Bhopal directly or through some federal or private agency appointed/approved by PCDS & RC Bhopal. The interests of Bansal Hospital while filing the patent applications will be respected as per the mutual agreement made prior to the beginning of the project on case to case basis. PCDS & RC Bhopal and Bansal Hospital shall consult each other for research publications and acknowledge the same for research publications resulting from collaborative research. The role in research and authorships of contributors in publications from each institute should be clearly defined prior to the beginning of the project.
6. PCDS & RC Bhopal and Bansal Hospital will explore possibility to organize seminars, workshops, conference and various scientific activities of mutual interest under auspices of learned professional societies at mutually convenient venues to promote R&D/academia/industry interactions. The resources for such activity will be shared.
7. Duration of MOU will be initially for FIVE years, which can be renewed upon mutual understanding.
8. Either party may terminate this MOU by giving thirty (30) days notice in writing to the other party provided that such termination shall not affect the rights of the parties to MOU which have been accrued prior to such termination.
