

CLUBS INITIATED BY COMPUTER SCIENCE & ENGINEERING DEPARTMENT

ENTREPRENEURSHIP CLUB

Entrepreneurship club will help students to turn their ideas and passions into businesses and will help to develop future business leaders.

The Entrepreneurship Club is a club which cultivates and equips businessman and Women for the future. It's Goal is to benefit and develop aspiring entrepreneurs as it will act as a platform for applying and exercising academic learnt skills.

It is our goal to educate students in many aspects of entrepreneurship emphasizing more on good business ethics, taking right business decisions while maximizing Profit.

It is most important for college nowadays because there is a start-up wave riding across the nation. Today's college students are part of a critical generation that will further our economic recovery. The foundational role of startups in our economy makes an entrepreneurship club an asset to any college campus

Mission:

1. To provide a way for young entrepreneurs to meet virtually, share ideas and learn from others about what it takes to initiate their own business.
2. The Club aims to provide guidance to aspiring young students to pursue their business ownership dream at under graduate and Post Graduate Level.
3. The Club aims to help students to cultivate a startup business idea, teach them basic strategies like estimating costs and writing a business plan, and help them network their ideas toward sources of funding.

4. To Nurture the development of Quality Entrepreneurs who will be capable of competing in Local and Global Business Market.

Objective:

1. To Train Students to have the appropriate business insights and entrepreneurship skills.
2. To Cultivate the Entrepreneurship skills and values among the students in order to develop knowledgeable and Enterprising Graduates.
3. The Club aims to motivate and help all students to have the opportunity to decide if entrepreneurship is something they might want to have in their future.
4. Club arranges some expert lectures and seminars from start-up founders or from industry experts. They can guide students and resolve many of silliest to silliest questions and queries.
5. This Club can help by securing financial and legal help from alumni and other government organizations.
