9	19/04/2024 to 20/04/2024	Prabhotsav 2024	Prestige Institute of Management and Research (PIMR), Bhopal, Madhya Pradesh, organized Prabhotsav 2024. Under Robo Race category SORT students, Anjar Ansari, Chandan Kumar, Deepak Kumar and Jayesh Soni won attractive prize**.**

10	23/04/2024	MAITRIM 2K24	Millennium Group of Institutions, Bhopal organized technical event MAITRIM 2K24. Our students secured first position in Robo race Competitions and runner up position in working model competitions. As a winner students received Rs. Ten Thousand (Rs. 10,000/-) cash prize.

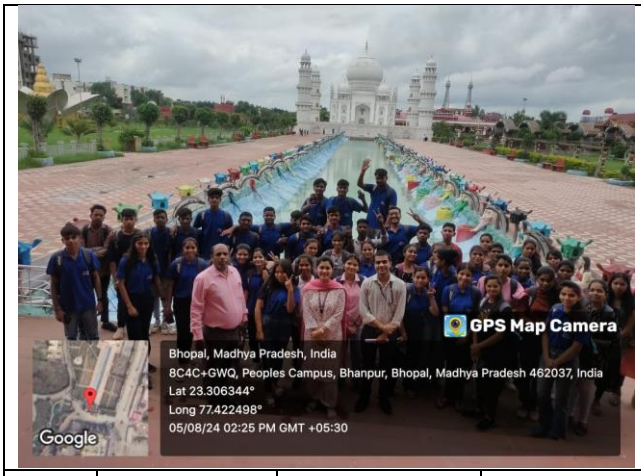
11	26/04/2024	Tech fest 2024, NRI Group	NRI group of Institutions, Bhopal organized technical event Techfest2024. Under students secured first position in Roborace Competitions and received Rs. Two Thousand (Rs. 2000/-) cash prize.

12	04/05/2024	Peoples University Foundation Day Celebration	People's University celebrated Foundation's Day with a meaningful plantation drive. This initiative aimed to promote environmental awareness and sustainability among students and staff. Participants planted a variety of trees and plants around the campus, contributing to a greener and healthier environment. Sakora were Placed to Birds at SORT Campus The event also included speeches by university officials, highlighting the importance of environmental conservation and the role of educational institutions in fostering a sense of responsibility towards nature.
13	04/05/2024	Election Awareness Programme (Member of Parliament)	SORT, People's University hosted an Election Awareness Programme aimed at educating students about the electoral process and the importance of voting. This initiative is part of the broader Systematic Voters' Education and Electoral Participation (SVEEP) program by the Election Commission of India. The event featured interactive sessions by Dr. Shashikant Sharma, who shared insights on the significance of informed voting and the role of youth in democracy. Activities included rally from SORT to Sabri Nagar followed by University and discussions on ethical voting practices. Around150 students have Participated.

14	09/05/2024	Tech fest 2024, SAM Global University	SAM GLOBAL UNIVERSITY, Bhopal organized technical event Techfest2024. SORT students secured first position in Roborace Competitions and received Rs. Two Thousand (Rs. 2000/-) cash prize.

15	22/07/2024	Guru Poornima Celebration	Guru Purnima is a special occasion celebrated at SORT to honor and express gratitude to our teachers and mentors. Faculties and students of SORT give speeches, poems, or personal stories about their experiences with their teachers and the impact they have had on their lives. Dr. Adarsh Sachdeva HOI, SORT address the faculties and students.

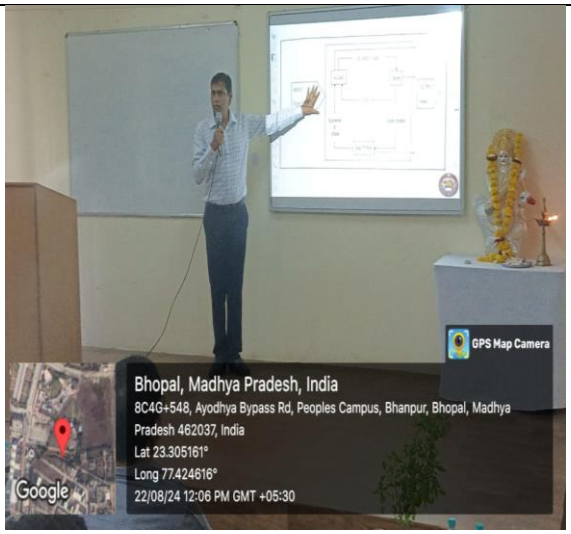
16	02/08/2024	Orientation Programme 2024-25	The purpose of the orientation program is to help the new students settle into their new lives at the Institute and to introduce them to campus life. The program's events and workshops are designed to assist parents and undergraduate students in acclimating to university life. Along with all of the staff and students, the SORT Orientation Program 2024–25 was enthusiastically held at G-8 and Quadrangle. Everyone took part in floral offerings and Pooja for the Goddess of Sarasvati. Student and activity coordinators participated in the different events. All of the students occasionally received food packages also. The event was coordinated by Ms. Swati Jain and Ms. Anamika Sharma. Thanks to our management and Principal, Dr. Adarsh Sachdeva for providing us the opportunity to celebrate such events.
17	05/08/2024	People’s Mall Visit	The visit to People's Mall in Bhopal during the orientation program for first-year B.Tech. Biotechnology students likely served as an engaging and informative experience for the newcomers. Such visits are designed to help students acclimate to their new environment, foster camaraderie among peers, and provide a break from academic activities. During the visit, students may have explored various sections of the mall, which could include retail shops, food courts, and entertainment areas. This experience not only allowed them to familiarize themselves with local culture and amenities but also encouraged social interaction and networking among classmates. Additionally, the visit could have included discussions about the importance of balancing academic life with leisure activities, promoting teamwork, and enhancing communication skills. Overall, it would have been a valuable opportunity for students to bond and create lasting memories as they embark on their academic journey in biotechnology.



18	06/08/2024	Academic Visit to Regional Science Center, Bhopal (M.P.)	Newly admitted SORT first-year students visited the Regional Science Center as part of their orientation program. The visit aimed to enhance their understanding of scientific principles through interactive exhibits and hands-on activities. Students explored various displays related to biology, physics, and technology, fostering a deeper appreciation for the scientific process. The engaging environment encouraged teamwork and critical thinking, allowing students to connect theoretical concepts learned in class with real-world applications. Overall, the visit was a valuable experience that not only sparked curiosity but also motivated students to actively engage in their studies. The Regional Science Center provided an excellent platform for learning and exploration, setting a positive tone for their academic journey ahead.

19	22/08/2024	Expert Talk on “Ecosystem Balance & Biodiversity Conservatio”	The Department of Biotechnology at SORT, People's University, Bhopal, organized an Expert Talk on "Ecosystem Balance & Biodiversity Conservation." The session was led by Dr. Dheeraj Rathore, Assistant Professor at the Central University of Gujarat. The event was attended by students from the Biotechnology, Microbiology, and Pharmacy departments. The program commenced with a warm welcome, where Dr. Adarsh Sachdeva, Head of the Institute, honored Dr. Rathore with a sapling. This was followed by the traditional lamp

			lighting ceremony and a Saraswati Vandana, invoking blessings for the event. Dr. Rathore's insightful talk delved into the critical importance of maintaining ecosystem balance and conserving biodiversity, emphasizing the role of scientific innovation in these areas. The session concluded with a memento being presented to Dr. Rathore as a token of appreciation for his valuable contribution, and a vote of thanks was delivered by Dr. Shikha Jain.



20	23/08/2024	Space Day Celebration	The Regional Science Centre Bhopal is celebrating National Space Day with a series of exciting events. This celebration marks the successful landing of ISRO's Chandrayaan-3 mission on the Moon's south pole. They organized, expert interaction, exhibition and National Level competitions i.e. Poster making, water rocket, and robotics mission competitions for students. Our first year Students from B. Tech Biotechnology namely Shubham Sharma and Tanu Vishwarkarma secured runner up position in the national level robot competition.

21	02/09/2024	One-day workshop on	The one-day workshop on Nutrition Day at SORT was designed to raise awareness about the importance of nutrition for better

		Nutrition Day	health. All the first and second year B. Tech./Diploma students likely participated in this workshop. This workshop aims to address the multifaceted challenges of malnutrition and promote healthier lifestyles. Various aspects about the impact of nutrition on the health were discussed. Ms Riya Goyal from PIHM was a guest speaker of this event. The event was coordinated by Dr. Seema Saini, Assistant Professor, SORT.
22	05/09/2024	Teachers Day Celebration	The School of Research and Technology conducted an exciting and enthusiastic celebration of Teacher's Day. After an auspicious lamp lighting ritual, students sang Sarasvati Vandana to officially begin the festival. Everyone expressed their gratitude to Dr. Sarvepalli Radhakrishnan with flowers. Dr. Adarsh Sachdeva, HOI address the students and staff. He exquisitely and admirably described the technical aspects of teachers' day. The students and faculties cut a cake to commemorate the day. Teachers also took part in a few team-building exercises, in which they all enthusiastically and vigorously participated.

स्टूडेंट्स ने टीचर्स को गुलाब देकर मनाया शिक्षक दिवस

रिपोर्टर • IamBhopal

Mobile no. 6266349352

स्कूल ऑफ रिसर्च एंड टेक्नोलॉजी, पीपुल्स यूनिवर्सिटी में शिक्षक दिवस पर कार्यक्रम का आयोजन किया गया। इसमें छात्र-छात्राओं ने सभी शिक्षकों को गुलाब का फूल देकर उनका स्वागत एवं सम्मान किया।

इस दौरान छात्रों ने गीत एवं संगीत की प्रस्तुति दी, जिसमें शिक्षकों ने भी हिस्सा लिया। अंत में संस्था के प्राचार्य डॉ. आदर्श सचदेवा ने शिक्षकों के साथ केक कटिंग की। प्राचार्य डॉ. आदर्श सचदेवा ने सर्वपल्ली राधाकृष्णन के जीवन पर प्रकाश डालते हुए उनके जीवन का आचरण एवं उनके बहुमूल्य विचारों को भी छात्रों के सामने प्रस्तुत किया।

23	14/09/2024	Hindi Diwas Celebration	Rashtriya Hindi Diwas is celebrated every year on 14th September to showcase the importance of the day and the language. The day commemorates the event when Hindi was adopted as one of the official languages of India. This day was celebrated in School of Research and Technology with great zeal and enthusiasm by faculty and students. They all came up with self-composed poetry, doha recitation, and sharing life experiences. Few activities related to Hindi language were conducted for faculty and students.
24	15/09/2024	Engineer’s Day Celebration	The School of Research and Technology in Bhopal celebrated Engineers' Day on September 15, 2024, to honor the birth anniversary of Sir M. Visvesvaraya, a notable engineer. The event aimed to inspire students and highlight the important role of engineers in building the nation. The celebration began with a tribute to Sir Visvesvaraya, followed by an opening speech from the institute's Director, Dr. Adarsh Sachdeva. He emphasized the importance of engineering innovations and encouraged students to strive for excellence in their careers. The day featured various engaging activities, including a technical quiz and a project exhibition. Students showcased innovative projects on renewable energy, robotics, and smart city ideas, which were well-received by attendees. Overall, the celebration honored engineering professionals and inspired students to develop creative solutions for real-world issues, making Engineers' Day 2024 a memorable occasion.

			motivated the students by emphasizing the vast opportunities in the domain and the importance of staying updated with advancements in the field. During the session, Dr. Bhore actively engaged with students, encouraging them to share their feedback on the program and discuss areas for improvement. Students suggested organizing more professional training sessions and workshops to enhance their practical knowledge and skills. Dr. Bhore also interacted with the faculty, gathering feedback on their requirements to further improve the teaching, and learning environment. The session served as an excellent platform for fostering collaboration and identifying ways to enhance the academic and professional growth of students and faculty alike. The event concluded with a vote of thanks to Dr. Subhash J. Bhore for his valuable time and inspiring interaction.
27	24/10/2024	Expert Lecture on “Precision Engineering of Proteins and Antibodies”	The Department of Biotechnology, School of Research and Technology (SORT), People’s University organized an expert lecture on "Precision Engineering of Proteins and Antibodies," delivered by Dr. Vishal Rai, a distinguished Professor from IISER Bhopal. The event commenced with a warm welcome, where Dr. Subhash J. Bhore presented a sapling to Dr. Vishal Rai as a token of respect and appreciation. Dr. Rai shared his expertise on advanced techniques and applications in protein and antibody engineering, providing attendees with valuable insights into this cutting-edge field. He also engaged with students, discussing career opportunities and internship programs available at IISER Bhopal, motivating them to pursue research excellence in biotechnology. The session concluded with Dr. Rai being felicitated with a memento as a token of gratitude, followed by a vote of thanks. The lecture, organized by SORT, proved to be highly informative and inspirational for the participants.

28	26/10/2024	TECHNOSPARK 2024	TECHNOSPARK 2024 at BSSS (The Bhopal School of Social Sciences) is an exciting one-day intercollegiate tech fest organized by the Department of Computer Science and Application and the Cyber Club. स्टूडेंट्स ने रोबोटिक्स में पाया विशेष स्थान

पीपुल्स यूनिवर्सिटी के स्कूल ऑफ रिसर्च एंड टेक्नोलॉजी के छात्रों की उपलब्धि

रिपोर्टर • IamBhopal
Mobile no. 9827080406

पीपुल्स विश्वविद्यालय, भोपाल के स्कूल ऑफ रिसर्च एंड टेक्नोलॉजी ने महर्षि विश्वविद्यालय, लखनऊ में आयोजित बोट फेस्ट में भाग लिया। इस दौरान बीटेक एवं डिप्लोमा प्रतिस्पर्धा में विनर रहकर पीपुल्स यूनिवर्सिटी ने अपना विशेष स्थान बनाया। 12 व 13 नवंबर को लखनऊ में आयोजित इस कार्यक्रम में पीपुल्स यूनिवर्सिटी की टीम ने 95 टीमों के बीच हिस्सा लिया। ये टीमें अलग-अलग राज्यों से लखनऊ आईं थीं। इस प्रतियोगिता में बीटेक वर्ग से कम्प्यूटर साइंस के स्टूडेंट कुणाल रजक, पांचवें सेमेस्टर से कम्प्यूटर साइंस के स्टूडेंट अहमार व मैकेनिकल ब्रांच के थर्ड सेमेस्टर से ओम प्रकाश ने पीक और प्लेस रोबोट सीनियर कैटेगरी में प्रथम स्थान प्राप्त किया। इस मौके पर विजेता स्टूडेंट्स को ट्रॉफी एवं प्रशंसा पत्र के साथ 11000 रुपए का पुरस्कार मिला।

वहीं, डिप्लोमा वर्ग में इलेक्ट्रिकल थर्ड सेमेस्टर के स्टूडेंट्स अंजर और परिवेश आलम प्रथम स्थान पर रहे। उन्हें 8000 रुपए का पुरस्कार, ट्रॉफी व प्रशंसा पत्र मिला। कुणाल रजक, अहमार, ओम प्रकाश इस कैटेगरी में दूसरे स्थान पर रहे। उन्हें ट्रॉफी, प्रशंसा पत्र व 5000 रुपए का पुरस्कार दिया गया।

रोबोटिक्स लैब में दी जा रही स्टूडेंट्स को ट्रेनिंग

पीपुल्स विश्वविद्यालय के स्कूल ऑफ रिसर्च एंड टेक्नोलॉजी के स्टूडेंट्स रोबोटिक्स टेक्नोलॉजी में अपना विशेष स्थान लेकर पूरे प्रदेश में अपना नाम रोशन कर रहे हैं। यह ट्रेनिंग इलेक्ट्रिकल इंजीनियरिंग की रोबोटिक्स लैब में दी जाती है। इसके लिए इलेक्ट्रिकल विभाग के प्रो. कपिल सोनी लगातार लैब में छात्रों को ट्रेनिंग सेशन लेकर मार्गदर्शन देते हैं। इस अवसर पर संस्था के प्राचार्य डॉ. आदर्श सचदेवा ने छात्रों को बधाई दी।

30	20/11/2024	Industrial Visit to CRISP Bhopal	The industrial visit to CRISP (Centre for Research and Industrial Staff Performance) Bhopal provided students with extensive exposure to cutting-edge advancements across Mechanical, Electrical, and Computer Science domains. Highlights of the visit included: Mechanical Engineering: Insights into modern manufacturing processes, CNC machinery, and robotics. Electrical Engineering: Advanced automation systems, power electronics applications, and renewable energy solutions. Computer Science: Hands-on exposure to AI-driven tools, IoT applications, and cybersecurity measures. This enriching experience broadened students' technical knowledge and inspired innovative thinking, connecting theoretical learning with practical applications. It was an invaluable opportunity for career development and industry readiness.
