

On January 11, 2025, People's Institute of Management and Research (PIMR) organized a Parents-Teacher Meet to discuss students' academic progress and gather valuable feedback for the institution's improvement. Faculty members shared detailed progress reports, highlighting students' strengths and areas that needed improvement. Parents actively engaged in discussions, sharing their insights and suggestions to enhance the overall learning experience. The meeting fostered a collaborative environment, emphasizing the importance of continuous development for both students and the institute. The feedback received will play a crucial role in shaping future academic strategies and ensuring holistic growth at PIMR.

On January 12, 2025, the People's University Auditorium hosted the Youth Sustainable Entrepreneurship Summit, bringing together aspiring entrepreneurs and industry experts to discuss innovative and sustainable business practices. The highlight of the event was the felicitation of Kesar Malik, an MBA student from People's Institute of Management and Research (PIMR), by Hon'ble Governor Shri Mangubhai C. Patel. Recognizing Kesar's outstanding entrepreneurial vision, the Governor presented a cheque award of Rs 3,100 as a token of encouragement. The summit served as an inspiring platform for young minds, fostering a culture of sustainability and innovation in entrepreneurship.

From January 22 - 24, 2025, People's Institute of Management and Research (PIMR) organized a three-day IBM workshop for all UG and PG students. The workshop aimed to enhance students' technical skills and industry knowledge through hands-on training sessions, expert lectures, and interactive discussions. IBM professionals guided participants on emerging technologies, data analytics, and artificial intelligence, providing practical insights into real-world applications. The event served as a valuable opportunity for students to gain industry exposure, develop essential skills, and explore potential career prospects in the evolving tech landscape.

On January 25, 2025, People's Institute of Management and Research (PIMR) organized a specialized workshop for faculty members on Mutual Fund Investment. The session aimed to enhance financial literacy and equip educators with insights into smart investment strategies. Experts from the financial sector explained the fundamentals of mutual funds, risk assessment, portfolio diversification, and long-term wealth creation. The interactive workshop provided faculty members with practical knowledge to make informed investment decisions. It also encouraged discussions on financial planning, ensuring that participants could leverage investment opportunities effectively for their future financial security.

On January 31, 2025, People's Institute of Management and Research (PIMR) hosted a Career Counseling Session for the students of Sadhu Vaswani College. The session aimed to guide students in making informed career choices and exploring various opportunities in their respective fields. Expert career counselors and industry professionals provided valuable insights on higher education, job market trends, and essential skills for career success. The interactive session allowed students to seek personalized guidance, helping them align their academic pursuits with their career aspirations. The initiative proved to be highly beneficial in equipping students with the knowledge and confidence to plan their future effectively.

On February 1, 2025, People's Institute of Management and Research (PIMR) organized a Career Counseling Session for the students of Babulal Gaur Govt. PG College, BHEL Bhopal. The session aimed to provide guidance on career opportunities, higher education options, and essential skills required in today's competitive job market. Experienced career counselors and industry experts shared valuable insights on various career paths, resume building, and interview preparation. Students actively participated in discussions, seeking advice on their professional aspirations. The session proved to be highly beneficial, equipping students with the knowledge and confidence to make informed career decisions.

On February 3, 2025, People's Institute of Management and Research (PIMR) celebrated Vasant Panchami with great enthusiasm and devotion. The event began with a traditional Saraswati Puja, where faculty members and students sought the blessings of Goddess Saraswati, the goddess of wisdom and knowledge. The participants beautifully dressed in yellow attire to symbolize prosperity and energy. Cultural performances, prayer, recitations, added to the festive spirit. The celebration fostered a sense of cultural unity and academic prosperity, making it a memorable occasion for everyone present.

On February 6, 2025, People's Institute of Management and Research (PIMR) assigned a Brand Ambassador Project to its students as part of their academic and professional skill development. The project aimed to enhance students' understanding of branding, marketing strategies, and consumer engagement. Participants were tasked with selecting a brand, analyzing its market presence, and developing innovative promotional strategies to enhance its visibility. Through this hands-on experience, students gained practical insights into brand management, digital marketing, and effective communication. The initiative encouraged creativity, strategic thinking, and teamwork, preparing students for real-world business challenges.

On February 9, 2025, the UG final semester students of People's Institute of Management & Research embarked on a memorable excursion to the historic Sanchi Stupa, fulfilling their request to make their academic journey more special. Accompanied by faculty members, everyone enjoyed a delightful meal together, sharing laughter and conversations. After lunch, the group explored the magnificent Sanchi Stupa, closely observing its intricate architecture and ancient design, gaining insights into its historical significance. To cherish the moments, they captured numerous photographs, creating lasting memories. The picnic concluded with a sense of joy and fulfillment, making it a day to remember for both students and faculty.

People's Institute of Management & Research

February

On February 22, 2025, People's Institute of Management & Research hosted a vibrant Alumni Meet 1.0 in the small auditorium, bringing together former students for a day filled with joy and nostalgia. The event began with energetic dance and soulful singing performances by the students, creating an atmosphere of celebration. Following the performances, everyone enjoyed a delicious lunch, fostering conversations and reconnecting with old friends. The excitement continued with a fun-filled game exclusively for the alumni, where winners received special prizes. As a token of appreciation and remembrance, all attending alumni were also presented with mementos from the college, making the event a truly heart-warming and unforgettable reunion.

The UG and PG students of, People's Institute of Management & Research had the esteemed opportunity to participate in the Global Investors Summit 2025, a prestigious national event held in Bhopal, Madhya Pradesh. This summit served as a platform for business leaders, policymakers, and investors from across the country to discuss economic growth, investment opportunities, and industry trends. The students actively engaged in insightful panel discussions, keynote sessions, and networking opportunities, gaining valuable exposure to the corporate world. This experience not only broadened their understanding of global business dynamics but also inspired them to explore innovative ideas and entrepreneurial ventures, making it a highly enriching and memorable event.

It was a proud and honorable moment for the students of People's Management College to participate in the Global Investors Summit 2025, a prestigious national event held in Bhopal, Madhya Pradesh. This summit provided a unique platform for students to witness insightful discussions by industry leaders, policymakers, and investors, offering them real-world exposure to business strategies, investment opportunities, and economic growth. Engaging in networking sessions and panel discussions, the students gained valuable knowledge about emerging market trends and entrepreneurial prospects. Their participation not only enhanced their learning experience but also brought recognition to the college, making it a truly memorable and prestigious occasion.
