### Plantation by Final Year Students

### REPORT

As a part of 2016-2020 batch of final year students of School of Pharmacy & Research, Peoples University, which was passing out today. We planned tree plantation activity in our campus. Objective for tree plantation is for awareness about environment safety & nourishment of campus. It is the tradition of SOPR to plant the tree in the name of the outgoing batch. This marks the responsibility towards the students as well as the nature. The tree plantation ceremony was graced by the Principal, **Dr. Neeraj Upmanyu** along with faculty members and also motivate the students and wished them good luck for their bright future.
