31/10/2020

REPORT OF EVENT

STUDENT INDUCTION PROGRAMME “DEEKSHARAMBH 2020” was Organized Virtually in School of Pharmacy & Research, People’s University Bhopal on 24th to 31st October 2020 for B -Pharm Ist year students through Google meet. In this event **Mr. Sumit Chourasia, Assistant professor, SOP&R (Alumni/ Scholarship Coordinator)** on 31st October 2020, addressed to newly admitted students about Alumni association.

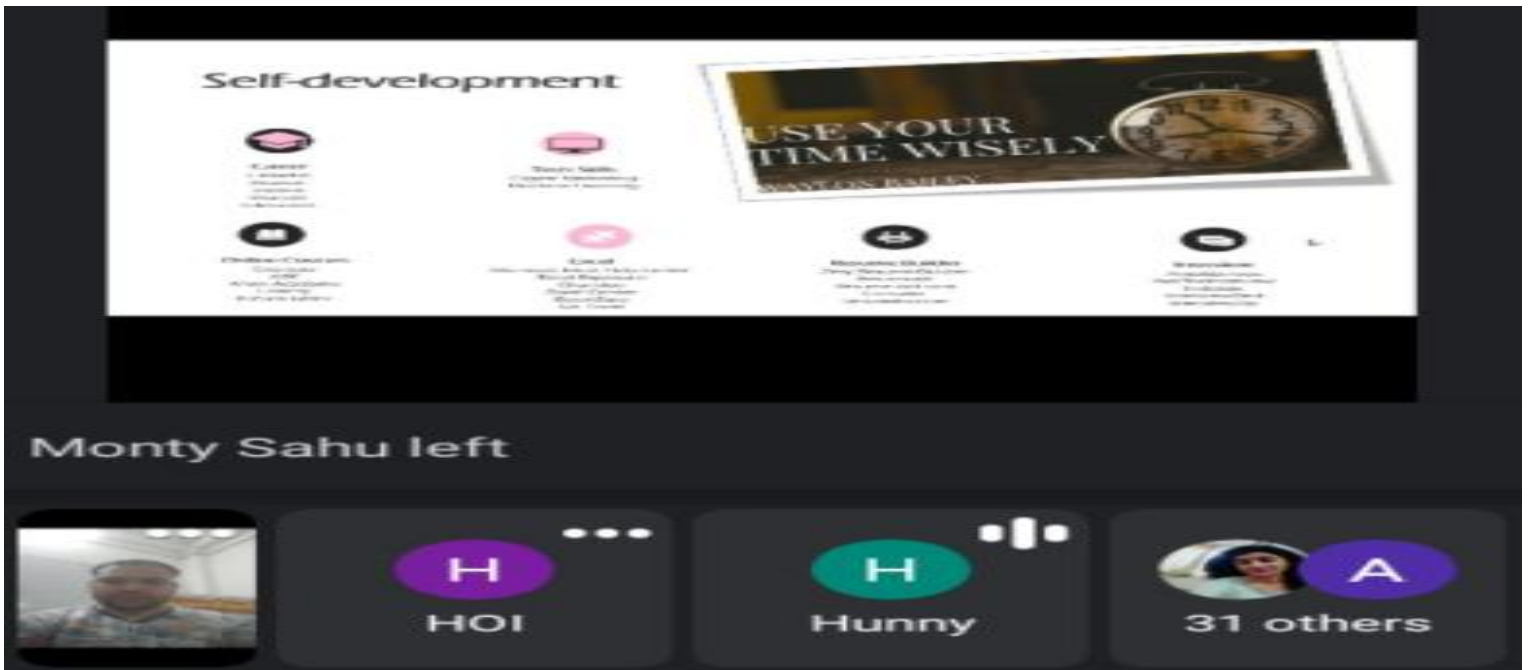

Alumni lectures were also organized on that day and in this context first lecture was presented by Ms. Hunny Gupta (**Product Executive, IPCA Laboratories**) who is alumni of year **2011-12 batch**, delivered a lecture on “Career in pharmacy: A way ahead”. She interacted with 1st Year students and share her experiences. She emphasized that consistency in the class as well as sincerity is the key to achieve success. She praised the efforts of all teachers who contributed during her studies and built successful career. Second lecture of the day was delivered by Mr. Pawan Singh Gourav (**Formulation research scientist, Zuventus health care private LTD.**) & alumni of year **2014-15 batch**. He delivered on “Glimpse of Pharmacy in Academic and Industry”. He discussed about industry prospects for pharmacy students, how to decide the aims further like preparation for GPAT examination etc. He insisted that every student should attend Seminar/Workshop/Training etc. during their studies apart from regular studies and strengthen their communication skills continuously. Dr. Neeraj Upmanyu, Principal, SOP&R and all faculty members motivated the students and convey good wishes for their Four years of academic session.
