

# School of Pharmacy and Research People's University, Bhopal

Two Best Practices Successfully Implemented by the Institution

## 1. BEST PRACTICES

Title of the Practice  
STRENGTHENING THE INDUSTRY-INSTITUTE INTERACTION

- Virtual pharmaceutical industrial training program
- Visit to research labs & training of students
- Workshop on formulation development to know the latest development in pharmaceutical industry arena.

### Objectives of the Practice

- To enhance the technical competence of students
- To render the students globally proficient and employable
- Promotion of activities enhancing student's technical competence
- Organize or promote students participation in student related seminar/conference/workshops/lecture series etc.
- To prepare competent pharmacist which cater the needs of society, nation as well as globally

## 2. BEST PRACTICES

Title of the Practice  
RESEARCH PROMOTION STRATEGIES

- Journal Club Meetings
- Wall Magazine
- Discussion of the Day
- Faculty Recharging Programs
- Plagiarism Awareness
- Strengthen scientific writing

### Objectives of the Practice

- Creating an innovative atmosphere that encourages the faculty to change the Teaching – Learning environment into activity based learning. And their career enhancement apart from that focus will be on collaborative as well as interdisciplinary research.
