

(Woman's Day Celebration-2019)

Report of the Event

Woman's day was celebrated in School of Pharmacy & Research, Peoples University, on 8th March 2019 ensuring women's pride and dignity with full enthusiasm. On this day a plantation devoting women's success was done by all the female faculties and students. Dr. Neeraj Upmanyu, principal SOP&R addressed the gathering with his expressive thoughts on women empowerment. He also included in his words about women safety measures and ensured their safety in the college premises.
