

## Report of one day work shop

One day work shop on Basics of *in-vivo* Experimentation: "ANIMAL HANDLING TECHNIQUES" was organized by Pinnacle Biomedical Research Institute (PBRI) Bhopal, for the students of B.Pharm VI Semester of SOP&R, on 8<sup>th</sup> April 2019. During the workshop students learned various animal handling techniques and discuss several queries regarding animal handling techniques, they were also getting more information about phytochemical laboratory and instrumentation handling. Around 33 students participated for that workshop and accompanied with Mrs. Eisha Ganju (Asso.Prof.) and Mrs. Alka Singh (Asstt.Prof.), Dr. Neeraj Upmanyu congratulate all the students for successfully completion & hope to continue such kind of training in future.
