UNIVERSITY**

SCHOOL OF PHARMACY AND RESEARCH
People's University, Bhopal (M.P.)
A "NAAC" Accredited University

About Bhopal

Bhopal, capital of Madhya Pradesh combines scenic beauty, historicity and modern urban planning. It is situated on the site of an 11th century city, Bhojpal, founded by Raja Bhoj. Bhopal today presents a multi-faceted profile; the old city with its teeming market places and fine old mosques and palaces still bear the aristocratic imprint of its former rulers; among them the succession of powerful Begums who ruled Bhopal from 1819 to 1926. Equally impressive is the new city with its verdant, exquisitely laid out parks and gardens, broad avenues and streamlined modern edifices.

About University & Institute

People's University was established by the Madhya Pradesh legislature through an amendment in Madhya Pradesh Niji Vishwavidyalaya (Sthapana Avam Sanchalan) Adhiniyam-2007 as Madhya Pradesh Act (No.18 of 2011) - People's University, Bhopal as a state Private University and is empowered to award degrees as specified by UGC under Section 22 of the UGC Act 1956 through its main campus in regular mode with the approval of statutory bodies/councils, wherever required. The People's University also NACC Accredited campus is spread over 69.19 acres of area near the National Highway No. 86 in Bhopal. It is credited to be Central India's largest single-campus University. School of Pharmacy and Research offers undergraduate, Post graduate programme (M.Pharmacy in Pharmaceutics) & Ph.D. program in Pharmaceutical Sciences. The college is approved by All India Council for Technical Education (AICTE) and Pharmacy Council of India (PCI). Spread on 2.5 acres of land, School of Pharmacy & Research has established itself, as one of the most prestigious institutions in the field of pharmacy education.

Who can attend?

All the pharmacy teachers across India, currently working in anyone of the PCI approved institutions.

About Workshop

Pharmacy Council of India, as a pharmacy education regulatory body constituted under the Pharmacy Act, 1948, has realized the need to strengthen and upgrade the pharmacy curriculum to produce competent pharmacist workforce which is able to meet the growing demands of the industry and community. Practice School is one of the courses which has been mentioned and prescribed by PCI in final year as per new scheme & syllabus for under graduate course of Bachelor of Pharmacy. Practice School is an educational innovation seeking to link industry experience with institute to strengthen the industry institute interaction. It creates the required setting for experiential and cooperative learning and education, by providing students with an opportunity to work on relevant assignments, under the guidance and supervision of professional experts and faculty members. Consequently, Practice School serves as a platform that facilitates the various prospects of pharmacy education linked with industrial, community, regulatory & other important aspects which will focus on industry academia linkage.

Objectives of Workshop

- Better understanding the regulation of Pharmacy Council of India (PCI)
- Overcome the dilemma of term Practice School Program objectives to be defined for the course
- Enable students to acquire learning by applying the knowledge and skills they possess, in unfamiliar, open-ended real-life situations
- Meet the rapidly changing needs and challenges of a professional workplace
- Describe the method applied to learn the subject
- Motivate to use case method of teaching in appropriate learning contexts
- Awareness for the successful implementation of 'The Revised Regulations for the B. Pharmacy' prescribed by Pharmacy Council of India (PCI), in Pharmacy College
