### WORKSHOP ON “FORMULATION TECHNIQUES OF SOLID DOSAGE FORMS”

### REPORT

A two day workshop of “**Formulation Techniques of Solid Dosage Forms**” was organized in School of Pharmacy & Research, People’s University, M.P. on 7<sup>th</sup> and 8<sup>th</sup> May 2019. In this event, the guest speaker and trainer, was Mr. Akshath Sharma (senior chemist-PDL, MYLAN LABORATORIES, Indore). The workshop was started with plantation of a new seedling of Amla tree at Herbal Garden. Students of B. Pharmacy III<sup>rd</sup> and IV<sup>th</sup> year Participated in the workshop. The session was started with brief introduction about pharmaceutical industry, regarding interview preparation, resume formatting and personality developments. During the practical session, practical aspects regarding tablet manufacturing, coating, handling of various instruments and machines like spray gun, etc. and evaluation parameters of tablets were taught by the trainer. The above knowledge was imparted in detail and students manufactured the tablets of Paracetamol.

The Principal, Dr. Neeraj Upmanyu told about the importance of workshop in terms of industrial perspective and he discussed about Industry-Institute interaction and how we can minimize the gap through these types of workshop. Workshop co-ordinators Mrs. Rajni Dubey and Mr. Kailash Sahu, School of Pharmacy & Research appreciated the knowledge imparted by the guest to the students who participated. Finally the certificates of appreciation was distributed by the honorable guest who was also the workshop trainer.
