3. Raman Fellowship for Post Doctoral Research for Indian Scholars in USA. These awards will provide an excellent opportunity to young Indian researchers (permanent faculty), under the age of 40 years to interact with the American academic/scientific community and get first hand information of the developments taking place at the international level and acquaint themselves with new academic and scientific research methods and to participate in collaborative research projects. 4.Major Research Project (MRP)

University and college teachers need to be supported to meet their requirements for individual research in specialized areas. To promote excellence in research in higher education by supporting research programmes of University and College teachers in various disciplines. 5. Post Doctoral Fellowship to SC/ST Candidates

This scheme has been initiated keeping in view the social background of the candidates from the deprived section of the society and to provide them an opportunity to undertake advanced studies and research.

6. Rajiv Gandhi National Fellowship for SC/ST Candidate
