EXAMINATION REGULATIONS

- 1) Applied Anatomy and Applied Physiology: Question paper will consist of Section-A Applied Anatomy of 37 marks and Section-B Applied Physiology of 38 marks.
- 2) Applied Sociology and Applied Psychology: Question paper will consist of Section-A Applied Sociology of 37 marks and Section-B Applied Psychology of 38 marks.
- 3) Applied Microbiology and Infection Control including Safety: Question paper will consist of Section-A Applied Microbiology of 37 marks and Section-B Infection Control including Safety of 38 marks.
- 4) Applied Nutrition and Dietetics and Applied Biochemistry: Question paper will consist of Section-A Applied Nutrition and Dietetics of 50 marks and Section-B Biochemistry of 25 marks.
- 5) Pharmacology, Genetics and Pathology: Question paper will consist of Section-A of Pharmacology with 38 marks, Section-B of Pathology with 25 marks and Genetics with 12 marks.
- 6) Nursing Research and Statistics: Nursing Research should be of 55 marks and Statistics of 20 marks.
- 7) A candidate must have a minimum of 80% attendance (irrespective of the kind of absence) in theory and practical in each course/subject for appearing for examination.
- 8) A candidate must have 100% attendance in each of the practical areas before award of degree.
- 9) Following exams shall be conducted as College exam and minimum pass is 50% (C Grade) and to be sent to the University for inclusion in the marks sheet and shall be considered for calculating aggregate.
 - a) Communicative English
 - b) Health/Nursing Informatics and Technology
 - c) Professionalism, Professional Values and Ethics including Bioethics

d) Introduction to Forensic Nursing & Indian Laws

- 10) Minimum pass marks shall be 40% (P grade/4 point) for English only and elective modules.
- 11) Minimum pass marks shall be 50% in each of the Theory and practical papers separately except in English.
- 12) The student has to pass in all **mandatory modules** placed within courses and the pass mark for each module is 50% (C Grade). The allotted percentage of marks will be included in the internal assessment of College/University Examination (Refer Appendix 2).
- 13) A candidate has to pass in theory and practical exam separately in each of the paper.
- 14) If a candidate fails in either theory or practical, he/she has to re-appear for both the papers (Theory and Practical).
- 15) If the student has failed in only one subject and has passed in all the other subjects of a particular semester and Grace marks of up to 5 marks to the theory marks can be added for one course/subject only, provided that by such an addition the student passes the semester examination.
- 16) The candidates shall appear for exams in each semester:
 - a) The candidate shall have cleared all the previous examinations before appearing for fifth semester examination. However, the candidate shall be permitted to attend the consecutive semesters.
 - b) The candidate shall have cleared all the previous examinations before appearing for seventh semester examination. However, the candidate shall be permitted to attend the consecutive semesters.
 - c) The candidate shall have cleared all the previous examination before appearing for final year examination.
 - d) The maximum period to complete the course successfully should not exceed 8 years.
- 17) The candidate has to pass separately in internal and external examination (shall be reflected in the marks sheet). No institution shall submit average internal marks of the students not more than 75% (i.e. if

40 students are admitted in a course the average score of the 40 students shall not exceed 75% of total internal marks).

- 18) At least 50% of the non-nursing subjects like Applied Anatomy & Physiology, Applied Biochemistry, Applied Psychology & Sociology, Applied Microbiology, Pharmacology, Genetics, Nutrition & Dietetics, Communicative English and Health/Nursing Informatics & Technology should be taught by the Nursing teachers. Teachers who are involved in teaching non-nursing subjects can be the examiners for the program.
- 19) Maximum number of candidates for practical examination should not exceed 20 per day. Particular year and of same institution batch shall be examined by the same set of examiners.
- 20) All practical examinations must be held in the respective clinical areas.
 1. One internal and one external examiner should jointly conduct practical examination for each student.
 2. An examiner for theory and practical/OSCE examination should be an Assistant Professor or above in a College of Nursing with M.Sc.(Nursing) in concerned subject and minimum 3 years of teaching experience. To be an examiner for Nursing Foundations course, the faculty having M.Sc.(Nursing) with any specialty shall be considered.

NOTICES & ANNOUNCEMENTS **(Examination time table to be attached)**

CONVOCATION

“Your degree is just a tool—your determination will define your success.”

Our institution takes immense pride in the accomplishments of its nursing graduates and conducts a dignified convocation ceremony to honor their dedication and service. The event marks a significant milestone in the lives of the students, symbolizing their transition from learners to professional nurses.

During the convocation, graduates are formally conferred with their degrees in the presence of distinguished guests, faculty members, and proud families. The ceremony often includes the traditional nursing pledge, reinforcing their commitment to compassionate care, ethical practice, and lifelong learning. Graduates are felicitated with certificates, medals, and tokens of recognition for their academic excellence and clinical proficiency.

The occasion also highlights the values of the nursing profession—service, empathy, and responsibility—while celebrating the perseverance and hard work of the students. It serves not only as a moment of recognition but also as an inspiration for graduates to uphold the dignity of the profession and contribute meaningfully to the healthcare system.
