

## Deptt. of Conservative Dentistry and Endodontics

### DETAILS OF PUBLICATIONS

Dr. Sanjeev Tyagi

S.No.	Title of the Articles	Journal Details
1.	Comparative evaluation of color stability and surface roughness of new composites following immersion in different beverages	Contemporary research journal of medical sciences:2022 4(1): 49-59.
2.	Effect of different finishing -polishing systems and mouthwashes on biofilm adhesion to composite surfaces: An in- vitro study	Journal of applied dental and medical sciences: 2021:7(3):54-56.
3	Root perforations : A review of diagnosis, prognosis and materials	Journal of applied dental and medical sciences.2021:7(3): 40-53
4	Recent advances in direct esthetic material : A review	International journal of Dental science and clinical research :2021:3(4):14-21.
5	Cavit-an undervalued Samaritan-A Review	Journal of Applied Dental and Medical Sciences: 2020: 6(4):20-23.
6	Retrograde filling materials: A review	Journal of Applied Dental and Medical Sciences: 2020:6(4): 13-20.
7	Ramadan fasting and dental implications: A special review	Journal of dental research and review2021;8:55-8.
8	Evaluation of microleakage in class V composite restoration by using flowable composite and resin modified glass ionomer as liners.	Journal of Advanced Medical and Dental Sciences Research: 2020:8(5): 26-30.
9	Comparative evaluation of incidence of separation of three different endodontic reciprocating files (manufactured from Ni-Ti) using scanning electron microscope : An in-vitro study	The Saint's International Dental Journal: 2020;4:41-7
10	Elastic analysis of Gutta percha cones in 50µg/ml and 80 µg/ml concentration of silver nanoparticles and 5.25 % sodium hypochlorite by atomic force microscope : In vitro study	Endodontology: 2020;32:193-7.
11	Dental Considerations amidst Covid-19 Scare.	International Journal of Medical and Biomedical Studies. 2020: 4(3):141-145
12	Advancements and role of electronic apex locators	International Journal of Applied Dental Sciences. 2020:6(2): 504-506
13	COVID -19 pandemic: challenges to dental practice in India	J Dent Res Rev 2020;7:151-3.

14	Effectiveness of Various Tongue cleaning aids in the reduction of tongue coating and bacterial load: A comparative clinical study	J cont Dent Pract 2019;20(4):444-448.
15	Efficacy of Liquorice and propolis extract used as cavity cleaning agents against streptococcus mutans in deciduous molars using confocal microscopy: An in vitro study	International journal of clinical pediatric dentistry. 2019; 12(3): 194-200.
16	Comparative evaluation of silver nanoparticles and 5.25 % sodium hypochlorite for rapid chairside decontamination of artificially infected gutta-percha with Escherichia coli: An in vitro study.	Dentistry and Medical Research 2019;7:23-7.

Dr. Vartul Dwivedi, Details of Publications

<b>S.No</b>	<b>Title of the Articles</b>	<b>Journal Details</b>
1.	An in vitro study of gutta percha removal commencing from the root canal undergoing endodontic retreatment using different rotary instrumentation systems	Journal of pharmacy and bioallied sciences
2.	Comparative evaluation of color stability and surface roughness of new composites following immersion in different beverages	Contemporary Research Journal of Medical Sciences
3.	Recent advances in direct esthetic material: Review	International Journal of Dental Science And Clinical Research (IJDSCL)
4.	Effect of different finishing-polishing systems and mouth washes on biofilm adhesion to composite surfaces: An in-vitro study	Journal of Applied Dental And Medical Sciences
5.	Root perforations:A review of diagnosis, prognosis and materials	Journal of Applied Dental And Medical Sciences
6.	Comparative evaluation of incidence of separation of three different endodontic reciprocating files (manufactured from Ni-Ti) using scanning electron microscope: An in vitro study	The Saint's International Dental Journal
7.	Dental considerations amidst COVID-19scare	International Journal of Medical and Biomedical Studies

Dr. Kalpana S. Rai, Details of Publications

<b>S.No.</b>	<b>Title of the Articles</b>	<b>Journal Details</b>
1.	Effect of non surgical periodontal therapy on platelet-to-lymphocyte ratio and neutrophil-to-lymphocyte ratio in chronic periodontitis .	Journal of young pharma ,2022;14(2):1-4
2.	A comparative evaluation of salivary alkaline phosphatase level in pre-menopausal and post-menopausal women with and without periodontitis	University journal of dental science 2021;vol7,issue ,pg 1-6
3.	Comparative evaluation of antimicrobial efficacy of different concentrations of sodium hypochlorite in root canal –an in vitro study	Journal of research and advancements in Dentistry2021 A
4	Dens in dente: a rare case report involving mandibular lateral incisors	Indian journal of dental advancements – 2013; 5(4): 1416 – 1419
5	Hemisection – Review and case report	JIDAMP – issue 4, oct – dec 2012
6	Orthodontic extrusion of traumatised anterior teeth: an interdisciplinary approach to patient management	JIDA; vol 5, no. 2. FEB 2011

Dr. Parthivi Singh, Details of Publications

<b>S.No.</b>	<b>Title of the Articles</b>	<b>Journal Details</b>
1.	To compare fracture resistance of root canals obturated with different obturating systems	Journal of research and advancement in dentistry
2.	Antigingivitis effect of pomegranate extract gel:A clinical study	International journal of scientific research
3.	Post and Core	Dentomed publication, ISBN 978-93-88535-72-4
4.	“Unilateral radix entomolaris in primary first molar:A rare entity”	International journal of applied dental sciences
5.	Importance of apical third in endodontics	Dentomed publication, ISBN978-93-88535-79-3
6.	Knowledge attitude and practice of general population about endodontic treatment	International journal of medical and oral research
7.	Evaluation of class V composite restoration by using flowable composite and resin modified glass ionomer as liners.	Journal of advanced medical and dental science research

8.	Impact of fluoridated and non fluoridated mouth rinses on frictional resistance between orthodontic arch wire and bracket- A comparative study	Journal of contemporary dental practice
9.	Comparative evaluation of incidence of separation of three different endodontic reciprocating files using SEM-An invitro study	The Saints international dental journal
10	Assesment of levels of plasma oxidative stree in patient having aggressive periodontitis before and after full mouth disinfection	Journal of pharmacy and bioallied sciences

Dr. Rinkal Luhana, Details of Publications

<b>S.No.</b>	<b>Title of the Articles</b>	<b>Journal Details</b>
1.	Management of open apex with mineral trioxide aggregate- a case report	Journal of IDA M.P State, Oct- Dec 2018
2.	Mineral trioxide aggregate as periapical obturation- a case report & review of literature	Journal of dental & medical sciences (IOSR-JDMS) 2019
3.	Comparitive evaluation of efficacy of different irrigants for the removal of iodoform based calcium hydroxide medicament from root canals: an in-vitro study	J Res Adv Dent 2019
4.	Cosmetic rehabilitation of discoloured tooth: a case report	Journal of IDA M.P State, Jan-Mar 2018
5	A potion for post-operative endodontic pain- Cryotherapy: a review	Journal of IDA- Madras(JIDAM) 2019
6	Comparison of variability in diameter and taper of gutta-percha cones of different brands using Stereomicroscopy and digital micrometer	Journal of Research and Advancement in dentistry 2021

Dr. Abhishek Norton, Details of Publications

<b>S.No.</b>	<b>Title of the Articles</b>	<b>Journal Details</b>
1.	Endodontic Management of a Mandibular First Molar with Middle Canal : A Case Report	Higher Education & Research 2014; Vol 6 : Issue 2

Dr. Kriti Dubey, Details of Publications

<b>S.No.</b>	<b>Title of the Articles</b>	<b>Journal Details</b>
1.	Methods to determine root canal curvatures and its management	Journal of research and advancement in dentistry
2.	Evaluation of dentinal crack formation during root canal preparation by using Twisted file adaptive,wave-one instrument and protaper Universal system-An In-vitro study	IOSR Journal of dental and medical sciences
3.	Assessment of the fracture resistance of endodontically treated teeth treated with different bleaching agents	Journal of Advanced Medical and Dental Sciences Research
4.	Odontome-Revisted	Journal of clinical research and reports
5.	Comparative evaluation of fracture resistance of three post endodontic restoration Amalgam,composite ,cention N-An invitro study	International journal of Dental sciences and innovative research
6.	Apexification with MTA and intraradicular rehabilitation with fiber post in an incompletely formed tooth	International journal of Dental sciences and innovative research

**Deptt. of Oral Maxillofacial Surgery**

Dr. Ajay Pillai, Details of Publications

<b>S.NO.</b>	<b>Titles of Articles</b>	<b>Journals Details</b>
1	Awareness attitude and proficiency of oral and maxillofacial surgeons towards COVID 19 pandemic.	J Res Adv Dent 2022;13(2)1-4
2	Evaluation of anaesthetic efficacy cardiovascular response of 2% lignocaine with varying concentration of adrenaline. A case control study	J Clin Den Res Edu 2022;14(25)1-4
3	Prognostic factors governing the recovery from inferior alveolar nerve injury after surgical extraction of mandibular third molar.	J Res Adv Dent 2022;13:4:1-4.
4	Three-Dimensional Printing - A Boon for Maxillofacial Surgeons. Journal of Research and Advancement in Dentistry 2022;13(4):1-5.	Maxillofacial Surgeons. Journal of Research and Advancement in Dentistry 2022;13(4):1-5
5	Single Miniplate versus Two Miniplates in the Management of Mandibular Symphysis Fracture: A Comparative Study.	Journal of Research and Advancement in Dentistry 2022;13(4):1-5.

6	Inspite of successful curative surgery for buccal mucosa carcinoma the health related quality of life continues to remain poor	Oral Maxillofac Surg . 2021 Apr 10. doi: 10.1007/s10006-021-00959-7
7	Text Book of Salivary Gland and its complete story	Walnut Publication 978-93-91522-49-0

Dr. Neha Jain, Details of Publications

S.No.	Title of the Articles	Journal Details
1.	Awareness attitude and proficiency of oral and maxillofacial surgeons towards COVID 19 pandemic	J Res Adv Dent 2022;13(2)1-4
2.	Evaluation of anaesthetic efficacy cardiovascular response of 2% lignocaine with varying concentration of adrenaline. A case control study	J Clin Den Res Edu 2022;14(25)1-4

5	Single Miniplate versus Two Miniplates in the Management of Mandibular Symphysis Fracture: A Comparative Study.	Journal of Research and Advancement in Dentistry 2022;13(4):1-5.
6	Inspite of successful curative surgery for buccal mucosa carcinoma the health related quality of life continues to remain poor.	Oral Maxillofac Surg . 2021 Apr 10. doi: 10.1007/s10006-021-00959-7
7.	Low Level Laser Therapy (LLLT) an asset to extra Oral Wound Healing	Journal of Research and Advancement in Dentistry 2020;10:3s:43-48
8	Addition of Demineralized Freeze-Dried Bone Graft to Platelet-Rich Fibrin is Superior to Platelet-Rich Fibrin Alone for Amelioration of Osseous Defect Following Impacted Mandibular Third Molar Removal: A Randomized Controlled Trial	Journal of research and advanced Dentistry 2019;10:1:19-28.

Dr. Annant Choubey, Details of Publications

<b>S.No.</b>	<b>Title of the Articles</b>	<b>Journal Details</b>
1.	SUBMENTAL INTUBATION FOR PANFACIAL TRAUMA	Journal of Dental and Medical science (vol.17) (issue 5) (may 2018) : 51-55
2.	Determination of peri implant condition in periodontally weak patient	Journal of advance medical and dental science research
3.	Platelet rich fibrin gel as efficient vehicle for local drug delivery in minor oral surgical defects	Journal of advance medical and dental science research

Dr. Pushpraj Singh, Details of Publications

<b>S.No.</b>	<b>Title of the Articles</b>	<b>Journal Details</b>
1.	Mucormycosis- A fungus of fear	Rishiraj journal of dental sciences
2.	Management of panfacial trauma	Rishiraj journal of dental sciences
3.	Masseteric cysticercosis	SOVA dentistry
4.	A nobel modified technique for sub mental intubation in panfacial trauma	SOVA dentistry
5.	A comparative study of imaging tools in the surgical management of mandible pathology	International journal of medical and applied sciences
6.	Prognostic factor governing the recovery from inferior alveolar nerve injury after surgical extraction	Journal of research and advancement in dentistry

Dr. Priyanka Sharma, Details of Publications

<b>S.No.</b>	<b>Title of the Articles</b>	<b>Journal Details</b>
1.	TECHNIQUES OF LOCAL ANAESTHESIA	IOSR

## Deptt. of Orthodontics

Amitabh Kallury, Details of Publications

S.No.	Title of the Articles	Journal Details
1.	<b>Effect of chlorhexidine rinse and blood contamination on bond strength of brackets bonded with self-etch primer- An Ex-vivo study.</b>	<b>International journal of dental sciences and innovative research, 2022</b>
2.	Orthodontic management of spaced dentition In a periodontally compromised adult patient: A Case report	Journal of Research and Advancement in dentistry, 2022
3.	Knowledge, Awareness and attitude of malocclusion and behaviour towards orthodontic treatment among medical and paramedical staff of CRPF, India	Journal of Research and Advancement in dentistry, 2022
4.	Mini-screw assisted rapid palatal expansion: A Review Article	Journal of Research and Advancement in dentistry, 2022
5.	A Chronicle overview of cephalometric parameters for assessing Sagittal jaw discrepancy	Orthodontic Journal of Nepal, 2021
6.	Comparison and correlation between gonial angle, symphysis morphology, Ramus Morphology and mandibular depth among different growth patterns in Angle's Class II division 1 malocclusion in Bhopal population- A cross-sectional study	Journal of dental and Oro-facial Research, 2021
7.	Distinct indexes for gauging Antero-posterior disparity cephalometrically in skeletal Class I & Class II Dysplasia	Journal of Contemporary Orthodontics, 2021
8.	Cognizance of the Vitality of Proper Ergonomics among Orthodontics	<i>International Journal of Dental Science and Innovative Research, 2020</i>
9.	Role of Social Media in Orthodontics and Dental CDE during Covid -19 Pandemic	<i>International Journal of Dental Science and Innovative Research, 2020</i>
10.	The Effects of COVID -19 on Orthodontic Practice – a questionnaire based study	<i>International Journal of Dental Science and Innovative Research, 2020.</i>

11.	Modified Keles TPA-An effective method for molar derotation,	Orthodontics Journal of Nepal, 2020
12.	Comparative assessment of sagittal jaw discrepancies by various cephalometric parameters in skeletal Class I and Class II malocclusion among Bhopal population: a cephalometric study	Journal of Contemporary Orthodontics, 2020
13.	Cephalometric evaluation of size and form of Sella Turcica in skeletal Class I and Class II dysplasia among Bhopal population.	Journal of Research and Advancement in dentistry, 2020
14.	Shear bond strength comparison of brackets using varying parameters of three LED curing lights: An In-Vitro Cross Sectional Study.	Journal of Research and Advancement in dentistry, 2020
15.	Comparative Analysis of Sagittal Jaw Dysplasia by Various Cephalometric Angular Parameters Between Male and Female Subjects Presenting with Skeletal Class I and Class II Malocclusion in Bhopal Population	Journal of Research and Advancement in dentistry, 2020
16.	Comparison of separation effect and pain perception using four types of orthodontic separators	JODE, Kolhan University (Jharkhand), 2020
17.	Comparative Evaluation of Efficacy of Different Irrigants for the Removal of Iodoform Based Calcium Hydroxide Medicament from Root Canals: An In-Vitro Study	Journal of Research and Advancement in dentistry, 2019
18.	Comparison of Fiber reinforced polymer retainer and stainless-steel orthodontic retainers	Journal of Research and Advancement in dentistry, 2019
19.	Self-Ligating Brackets: An Evolving System	Journal Of Applied Dental And Medical Sciences, 2018
20.	Midline Diastema Closure Through Combined Orthodontic and Surgical Approach: A Case report	Journal of Applied Dental and Medical Sciences, 2018
21.	The Effect of Verbal and Videotape Oral Hygiene Instruction on Plaque Control for Patients with Fixed Orthodontic Appliance.	Journal of Applied Dental and Medical Sciences, 2017
22.	An innovative jig to prevent canine bracket breakage during fixed functional appliance therapy	Journal of Indian Orthodontic Society, 2016

23.	Mesiodens: A Case Report	Journal Of Applied Dental and Medical Sciences, 2016
24.	Management of impacted maxillary canines using the Kilroy spring: A case series	Journal of Indian Orthodontic Society, 2016
25.	A Countdown to orthognathic surgery.	Journal Of Orofacial Research, 2015
26.	Interdisciplinary management of aggressive periodontitis	Journal Of Clinical Orthodontics, 2014
27.	Evaluation of smile aesthetics in central India.	APOS Trends Orthod, 2014
28.	Oral health promotion among rural school children through teachers: an interventional study	Indian Journal Of Public Health, 2012
29.	Alveolar bone exostoses subsequent to orthodontic implant placement	British Medical Journal-Case Report, 2012
30.	Fluorides in Prevention of White Spot Lesions Associated with Orthodontic Treatment	Journal of Indian Dental Association, 2011
31.	Correction of Anterior Open Bite by Application of Cantilever Mechanics- A Case Report	Journal of Indian Dental Association, 2011
32.	Application of cantilever Mechanics in Contemporary Orthodontics: Correction of Dental Midline Asymmetry- A Case report	Journal of Indian Dental Association, 2011
33.	The effect of air abrasion on the retention of metallic brackets bonded to fluorosed enamel surface	Indian Journal of Dental Research, 2011
34.	Tooth agenesis	British Medical Journal-Case Report,2011
35.	Non-syndromic supernumerary premolars	British Medical Journal-Case Report,2011
36.	Iatrogenic effects of Orthodontic treatment –Review on white spot lesions	International Journal of Scientific & Engineering Research,2011
37.	Conservative Management of Mandibular Second Premolar Impaction	People’s Journal of Scientific Research,2011
38.	Binder’s syndrome	British Medical Journal-Case Report, 2011
