### INTERDISCIPLINARY DEPARTMENTAL VISIT REPORT

An interdisciplinary departmental visit was carried out of B. Pharm. 1<sup>st</sup> Year students of School of Pharmacy and Research to People's College of paramedical Science and Research centre. Students visited Museum of Anatomy & Physiology on 4<sup>th</sup> March 2021. Adding to this pathology lab was fully demonstrated by Ms. Shivani Chourasiya, Mr Anshul Shastri and Mr. Shrawan Kumar Yadav of PCPS.

The Practical session of "Counting of RBC's and WBC' using Hemocytometer" was performed and demonstrated step by step to each and every student of B Pharm 1<sup>st</sup> Semester.

Another session of "Spotting of human skeleton with pinpointing the Joints and movements in human body" session was also carried out for the students.

The visit was coordinated by Mrs. Mariya Beg (Assistant Professor SOPR) and Mrs. Rajni Dubey (Associate Professor SOPR) under the Guidance of Dr Neeraj Upmanyu (Principal SOPR) and Dr P R Suresh (Principal PCPS).

**Note:** All the preventive measures and guidelines for COVID -19 Pandemic were taken into consideration while performing this visit.
