Report of the Event

School of Pharmacy and Research, People's University, Bhopal successfully organized Pharmacy Council of India sponsored three days Continuing Education Program (CEP) on “**Innovative teaching methodologies based on effective learning outcomes and student performance**” from 29th to 31st August 2018 at PCMS Auditorium, People's University Bhopal.

To ensure uniform implementation of the education standards set by the PCI, the council is striving to conduct the training programmes and workshops for the pharmacy teachers, who are actively involved in uplifting the professional standards of our country. One such attempt is "continuing education programme (CEP)". School of Pharmacy and Research (SOP&R), People's University, Bhopal had taken this opportunity to call upon pharmacy teachers from different colleges and institutions to share the vision of PCI and join hands with us in our endeavour to produce pharmacist workforce competent for the society.

Dr. Akhilesh Kumar Pandey Chairman Madhya Pradesh Private University Regulatory Commission was graced the occasion as Chief Guest of the event.
