REPORT OF THE EVENT

“Extension of Virtual Pharmaceutical Industrial training Programme”

Dated 10th -12th November 2017.

School of Pharmacy and Research, People's University, Bhopal has successfully organized three days “Virtual pharmaceutical Industrial training programme” in association with Indian pharmaceutical association, (IPA) M.P Chapter at ML Schroff Seminar Hall, SOP&R. The key objective of this training programme was to train B.Pharm & M.Pharm students effectively to meet the current dynamic business needs of Pharma Industry.

In continuation to the series “Extension of Virtual Pharmaceutical Industrial training Programme” was held on 18/11/2017. The session was taken up by two speakers named Mr.Tarani Prakash, Pharmacovigilance Associate at National Coordination centre for Pharmacovigilance Programme of India, IPC, Ghaziabad and Dr. S.J. Daharawal, Associate Professor, Pt. Ravishankar Shukla University, Raipur.

Both speakers shared their knowledge and experience with students. Mr.Tarani Prakash delivered on “Basics of Pharmacovigilance in Pharma” and Dr. S.J. Dharawal interacted with the students on “Various Manufacturing techniques of Pharmaceutical products”. The training programme was coordinated by Ms Ruchi Bhatia, Associate Professor, SOP&R. All the faculty members and staff of SOP&R participated in the event. The programme ended with a vote of thanks by Dr. Neeraj Upmanyu, Principal, SOP&R, People's University with a positive feedback by students and the invited speakers.
